1. Complete all items on this form and read and sign the acknowledgement statement at the bottom of the form. Incomplete forms will be returned.
2. Mail your application with the nonrefundable \$30 application fee to CEAO Integrated Studies or the appropriate MSU regional campus you plan to attend.
3. Request that an official transcript be mailed directly to CEAO Integrated Studies or the appropriate MSU regional campus from the registrar's office of each college you have attended or registered.
 - A faxed copy of the transcript can also be accepted as long as the registrar's official stamp is on the document and it is accompanied by a statement verifying the original transcript is in the mail to Murray State University.
 - If you are currently enrolled, that college should send one transcript now and a final official transcript as soon as the courses in progress are completed.
4. Submit (with your admission application) a copy of your driver's license for residency and tuition purposes. You will be notified if under 13 KAR 2:045 you are required to provide additional information to document your place of residence as used to determine your tuition.

NOTE: All admissions are tentative until Murray State University has received all required final official documents. This may include, but is not limited to, official transcripts of all college courses and/or residency documentation.

> ADMISSION REQUIREMENTS

1. Students must have previously earned at least 60 credit hours to be eligible for admission to the program.
2. A 2.0 (4.0 scale) minimum cumulative GPA, as calculated by Murray State, is required for admission.
3. All degree credit courses from a college with recognized accreditation will transfer. Contact CEAO Integrated Studies to verify that a college has recognized accreditation. Transferred developmental courses do not count toward hours earned or GPA.
