

## The Express Scripts Mobile App

### Pharmacy That Goes Farther.<sup>SM</sup>

Get the app that drives better decisions and healthier outcomes for members ***on the go.***

The **Express Scripts mobile app** helps you stay on track with instant access to your personal medication information. Go to your mobile device's app store\*, search for "Express Scripts" and download the app for free!

After downloading the app, log in with your Express-Scripts.com username and password. If you haven't yet registered with Express-Scripts.com, you can create a username and password right from the app – and use the same user name and password to access the website. From the mobile app, you'll have instant access to these great features:

#### **Refills and renewals<sup>†</sup>**

Quickly and easily refill and renew your home delivery prescriptions.

#### **Order status<sup>†</sup>**

Track the status of your home delivery prescription orders.

#### **Medicine cabinet**

View your medications and set reminders to take them or notify you when you are running low. Get personalized alerts if there is a risk of a medication-related safety issue between your prescription and OTC medications, vitamins or supplements.

#### **Transfer to home delivery<sup>†</sup>**

Request home delivery for medications taken on an ongoing basis that are currently obtained from a retail pharmacy.

#### **My Rx Choices<sup>®†</sup>**

View lower-cost prescription options available under your plan and discuss them with your doctor—while still in the doctor's office!

#### **Pharmacy care alerts<sup>†</sup>**

Review personalized alerts to help ensure you are following the treatment plan as prescribed by your doctor.

#### **Locate a pharmacy<sup>†</sup>**

Use your current location or enter a zip code to search for the nearest in-network, preferred retail pharmacies, view contact information and access directions.

#### **Virtual member ID card<sup>†</sup>**

Use your phone to display your virtual ID card at the pharmacy.

#### **Drug information**

Search detailed drug information by medication name, condition or drug category, and see potential side effects, drug interactions, pill images and more.

**Download the Express Scripts Mobile App today—for free!**
