

Dining Committee Notes

11/15/12

There were only 2 students in attendance at this meeting, we really need more students coming out for this!

There was a complaint that the turkey meat in the deli at Winslow ends of sitting in a lot of liquid, which is very unappetizing(Tim—Chef/Manager—responded afterwards that he will check on this, but we shouldn't be having this problem with the higher quality of turkey meat that we purchase. It doesn't seem to be a problem with the smoked turkey, just the regular).

One of the students present said that there seemed to be some things that have been brought up over the course of the semester for which there weren't any final resolutions or answers. She didn't have her list of those with her, but Paula(Director) said she would go back over the notes from previous meetings to try and get those answers.
