

**Food Committee Notes**  
**September 13, 2012**

In Winslow:

- There were some concerns about the fresh fruit under the lights, so we'll keep the lights out
  
- There were some concerns about the wraps in Mingle not being rolled properly. Some additional training has been implemented
  
- The condiments have been running out when only one side is open. The attendant has been informed to get a better eye on them
  
- Starting soon, there will be nacho cheese in the soup wells
  
- Fruity pebbles are missed, they shall return
  
- October 17th is Lambert's Throed Rolls Meal
  
- The Campus Pizza naming competition deadline has been extended to October 17th and has been changed to "name" only, a logo is no longer required

That concludes the notes from this past week's meeting. See you all tonight at Hart at 5pm for this week's meeting.

Thanks all
