

Logistics & Supply Chain Management

> Murray State University Regional Campus and Online Degree Completion Program

The Bauernfeind College of Business, in cooperation with Continuing Education and Academic Outreach at Murray State University, has carefully structured an off-campus degree program in [Logistics and Supply Chain Management](#).

Students may take courses online or at the regional campuses through interactive television. Upper-division courses in the program are offered online and at each of the following Murray State University regional campuses in Henderson, Hopkinsville, Madisonville and Paducah. Murray State University's business programs are accredited by AACSB International - The Association to Advance Collegiate Schools of Business.

The Logistics and Supply Chain Management program is available via online delivery. Students will need regular access to a computer and broadband internet.
