# **History**

Faculty Tutoring

Regents Hall is the home of The Regents College, named for all past and present members of the Board of Regents. Originally built for all females, Regents College now houses three floors of men and five floors of women. When Murray State Meet and Greet adopted the Residential College system in 1996 Regents College became home to the "Rhinos," the college mascot which is a symbol of strength, determination and dignity. Regents College proudly wears the colors of purple and gray, representing royalty and grandeur, and our motto Semper Proficiamus, means "We move ever forward."
