REPORTS FROM SPECIAL GUESTS:
Becky Watts, Deputy to the President, reported that MSU has purchased a land option for development of the Paducah campus. Ms. Watts introduced Josh Jacobs, Special Projects Coordinator, who will be attending Staff Congress meetings as the representative from the President’s Office. Mr. Jacobs gave an update on the renovations to Winslow Cafeteria and the Stables.

Dr. Don Robertson, Vice President, Student Affairs and Retention, reported that the Summer Orientations have gone well, with over 300 students attending each one. Upcoming Summer Orientations are scheduled for July 12-13 and July 22-23. Dr. Robertson noted that at every Summer O, students and parents complete evaluations. On those evaluations, the university has received many positive comments regarding the appearance of the campus, food service, and friendliness. These comments reflect on the Facilities Management and Food Service departments and the many staff who interact with campus visitors.

Plans are being finalized for Great Beginnings which will be held August 16-19. The first group of students will return to campus for early move-in on August 13. The remaining students will arrive on August 16. Staff are invited to greet students and parents and participate in activities on move-in day. A schedule will be posted on the MSU home page after Summer Orientations have finished. Dr. Robertson listed other activities scheduled during the first week students will be on campus. A committee has been formed to assist students who may appear to be in a crisis situation. Anyone who is aware of a student who needs assistance should contact Dr. Robertson’s office. The Office of Student Affairs and Retention is currently contacting students who have not registered for the fall semester. Construction of the new Richmond College Residential Hall is underway. The building is on schedule to open for the fall 2009 semester.

Jim Carter, Vice President for Institutional Advancement, Alumni Affairs, said that the Murray-Calloway community will be hosting the FLW Tour in June 2009. With some of the activities to be held at the RSEC, national media attention will be given to MSU.

The Alumni Association has decided to focus this year on recruiting students through ambassadorial activities. Mr. Carter listed upcoming bluegrass music performances scheduled by WKMS. The televised program Roundabout Murray will be broadcast statewide by KET.

Gina and Faculty Regent Jay Morgan plan to meet with Staff Congress President Phil Schooley and Faculty Senate President Steve White to determine if Staff Congress and Faculty Senate are working with any issues they can address jointly. She will conduct a staff survey approximately the first of August which will include questions regarding carpooling to campus from surrounding counties.

Gina explained that the $400 stipend will not be applied to the base salary this year, but hopefully it will be applied to the base salary next year.
