On March 8, the revised version of the document will be presented to the Board of Regents and released to the public. Dr. Dunn noted that the item numbers are for reference only and are not a designation of priority. He explained that items are categorized as academic or non-academic and elaborated on other designations and notes in the document. Dr. Dunn answered questions regarding the recommendations.

At the conclusion of the forum, Dr. Dunn said questions may be emailed to him.

PRESIDENTIAL RESOLUTION:
John Young distributed to Staff Congress members an updated version of the proposed resolution in support of Dr. Dunn. He noted that at the February Staff Congress meeting, an ad hoc committee was formed to draft a resolution in support of the President. The draft was emailed to Staff Congress members prior to today’s Special-Called Staff Congress meeting. If approved by Staff Congress, the resolution will be presented to the Board of Regents.

Orville Herndon made a motion to approve the resolution in support of Dr. Dunn. Debbie Plummer seconded. President Young asked if there was any discussion. Parliamentarian Marion Hale noted some punctuation and alignment corrections. The motion carried.

John Young reminded Staff Congress members of the upcoming monthly Congress meetings and the Employee Health Fair. He asked staff to remind co-workers of the open forums for the Budget Planning and Review Team recommendations scheduled for the next week.
