### **Got Something to Say...**

The purpose of the Murray State University Staff Congress is to create a stronger bond within the staff, solicit and express opinions, represent staff concerns, and make suggestions and recommendations for the entire staff on matters of their concern.

In an effort to address questions, concerns, praises, and/or comments, the Staff Congress wants to hear from you.

By submitting the form below, these items will be addressed by the members of Staff Congress at the next monthly meeting. If you would like a follow up, you may choose to supply your contact information below. This form may be forwarded to another appropriate department, depending on the nature of the claim.
