

Dear Agriculture Company Representative:

The Murray State University School of Agriculture would like to extend an invitation to you to join us for Ag Day 2010. Ag Day 2010 will include the Agriculture Career Fair and Agriculture Alpha Zeta Awards Banquet.

The Agriculture Career Fair will be held on Wednesday, February 24, 2010. Registration and set-up for the Career Fair will begin at 8:15 a.m. Breakfast refreshments will be available to all company representatives during the registration period. Parking will be reserved in front of the Curris Center and there will be agriculture students on hand to help you unload and set-up. The Career Fair will be from 9:00 a.m. to 12:30 p.m. on the 3rd floor of the Curris Center. There is no participation fee and you will be provided with one 6' table and two chairs. A complimentary informal come and go buffet lunch will be served starting at 12:30 p.m. Interviews with students may be conducted after 1:30 p.m.

Our Career Fair is designed to focus on agricultural career opportunities. With a continual growth in our student enrollment, the goal of this fair is to see that our students are exposed to the different careers available. By dealing directly with agriculture students, you will be able to give students more insight into the professions attainable within the agriculture industry. Your company does not have to have positions or internships open to participate in the fair.

Ag Day 2010 will also include the Agriculture Alpha Zeta Annual Awards Banquet at 6:00 p.m. that evening. We would like to invite your company/organization to participate in this event by attending the banquet and/or sponsoring a table for deserving agriculture students. Sponsorship will incur a minimum donation of \$50.00. Your attendance is welcomed, but not required for sponsorship of the banquet.

The MSU School of Agriculture has experienced record growth and we now have over 675 students enrolled. Our programs and students are not only expanding in quantity, but also in quality. We think you'll be impressed. So, mark your calendars now, return the enclosed registration form and make plans to attend Ag Day 2010 on February 24th. With your participation, this event is sure to be a success. If you have any additional questions or comments, please feel free to contact us at ag@murraystate.edu or (270) 809-3329.

Sincerely,

Dr. Tony Brannon, Dean
