

Murray State University
3rd Annual Violin Workshop
for All-State Orchestra Audition
Saturday, September 27th, 2008

This workshop is a special **free** clinic for high school students who are preparing for the All-State Audition. Students will receive individual instruction from MSU faculty, Professor Sue-Jean Park, on their audition excerpts as well as on audition techniques and strategies. Because of the one-on-one nature of this workshop, students will receive invaluable preparation for their audition and be ready to present their very best for All-State and any future auditions that they may take.

Instructor, Dr. Sue-Jean Park is professor of violin at Murray State University and concertmaster of the Jackson Symphony Orchestra. She graduated from Yale University and the University of Texas at Austin. She was concertmaster of several orchestras such as Jenessses Musicales World Orchestra (UNESCO), and Rome Festival Orchestra with conductors such as Sir Neville Mariner and Kurt Masur.
