Murray State University’s Motor Pool – For Information Only

The current Motor Pool Memorandum of Agreement between the Finance and Administration Cabinet’s Division of Fleet Management and Murray State University for the use of 34 vehicles for the state’s fleet will expire on September 20, 2007. Due to difficulties in getting replacement cars and increasing charges from the state motor pool operation, there would be advantages to the University owning its own fleet rather than continuing to lease from the state. The University has reduced the number of state owned fleet vehicles from 39 to 34.

Due to the University’s location and large geographic service region, MSU averages 2,000 miles per month on each vehicle. In addition, a significant number of the vehicles provided by the Department of Fleet Management have logged over 100,000 miles.

Maintaining a fleet of vehicles locally will provide a number of benefits to the University. Funding will be handled from the regular university budget through an internal reallocation process over the next four fiscal years.

I. Governmental Relations - No Report

J. International Relations - Mrs. Travis

Mrs. Travis, Chair of the International Relations Committee, reported that the International Affairs Executive Council continues to meet on a regular basis. They were pleased to have Dr. Heyl, an international education consultant, on campus recently. She thanked Dr. Gary Brockway for providing funds for his visit. Dr. Heyl’s report will be shared in the coming months. The Council has been working on goals they are referring to as the 5/5/50 plan. They would like to see 5 percent of our student population be comprised of international students, 5 percent of our total enrollment participate in a study abroad program (including students attending our extended campuses), and 50 percent of our faculty have current experience in some way related to international education. The goal is to reach these targets in five years. Mrs. Travis and the Committee expressed appreciation to President Dunn for his enthusiasm and support.
