To the faculty member:

Thank you for serving as a reference for this student who is applying for a scholarship to support participation in a study abroad program sponsored by Murray State University and the Cooperative Center for Study Abroad. We have information about the applicant's academic record and are primarily interested in your best estimate of how well and in what ways participation in the program will be mutually beneficial for the student and CCSA.

You can either 1) deliver the letter directly to either Celia Wall, Dept. of Journalism and Mass Communication, or Melanie McCallon, Institute for International Studies or 2) give the letter to the student in a sealed and signed department envelope to include with his/her application materials.

Please include this form, signed below, with your letter of recommendation.
