

College of Health Science and Human Services Study Abroad Scholarships

The College of Health Science and Human Services will be awarding scholarships in amount up to \$1000 for students within the college wishing to study abroad. Awarding of these scholarships will be based on the following:

- GPA - Preference given for 3.0 or better
- Essay – See criteria below
- 2 references – 1 to include faculty member from your program. References should be submitted in a signed, sealed envelope with the application
- Financial Statement
- MSU Transcript to be provided in a signed, sealed envelope and submitted with the application
- Special consideration will be given to those who have not traveled abroad

NOTE: It is expected that students awarded scholarships will share their experience upon their return in a suitable forum.

Typed essay should address ALL of the following (please be specific): Why did you choose this program? What international travel/study experience have you had? Why is this program useful to your professional and academic goals? What do you expect to gain from your experience on this program? (Criteria are the same as for essay submitted with study abroad application.) Also, you may include any other information that you believe would be helpful to the committee in arriving at their decision.

Please submit application, copy of transcript, typed essay and 2 letters of reference to the Study Abroad Office by the deadline indicated on the application. Applications may be accessed online at www.murraystate.edu/studybroad.

**Incomplete applications will not be considered.
Application pieces cannot be sent separately to the Study Abroad Office.**
