Contact your high school counselor for official transcripts and ACT scores to submit with this application.

* Your U.S. Social Security Number (SSN) is requested on your Racer Academy admission application. If you enroll at MSU, it is mandatory to provide your SSN to be eligible for federal and state financial aid, including outside or institutional merit-based scholarship support. Providing your SSN will accelerate the matching of test scores and transcripts with your MSU applicant records. The university must use your SSN when providing federal and state tax forms (W2 or 1098T) and is required for enrollment verification by lending agencies. Your SSN will only be used in accordance with university policy and state/federal law. Your SSN will not be used as your student identification number.
