 - Partial Student Name using % wildcard (ex. John% in last name will return students with the last name of John, Johnson, or Johnston)

Self-Service Banner

- ❖ View the Class Schedule
- ❖ View the Course Catalog
 - Description
 - Pre-Req

Work in Progress

This is the first phase of the myGate implementation. Accounts Receivable will go live in mid July 2009. In future releases, additional tabs, channels, and functions will become available for students, faculty, advisors, and staff.

Students

Students have a 'Money' tab & an 'Academics' tab. The 'Money' tab gives them access to their account, financial aid, scholarship, and work study information. The 'Academics' tab allows them to see their academic profile, schedules, and grades, as well as register via the web.
