

**MURRAY STATE UNIVERSITY
HOUSING & RESIDENCE LIFE
HOUSING EXEMPTION AGREEMENT OF UNDERSTANDING FORM**

I have been informed about the University's policy that requires all freshman and sophomore students to live in university housing for at least four semesters. For this policy, freshman and sophomore students are defined as students who have completed fewer than sixty hours of college credit.

- * I am married and living with my spouse
- * I am a veteran of two years' active military service
- * I am 21 years old prior to the first day of registration
- * I have lived in the residence halls four complete semesters (excluding summers)
- * I will commute daily from the permanent home of my parents (within 50 miles)
- * I have been enrolled full time at a postsecondary institution for four semesters (excluding summers)

I realize that the housing charge will be left on my account in the event that I am not granted an exemption. I also understand that presenting false information to this review board in an attempt to receive an exemption is a direct violation of Murray State University's Student Conduct Code. If it is found that I have presented false information, the housing charge will immediately be re-applied to my account and further disciplinary action will be taken.

By signing this form, I acknowledge that I understand the on-campus housing requirement policy and that the information I have provided in support of my exemption request is accurate and correct.
