**The information in this handbook is the most up to date at the time of printing and is subject to change.**
The Murray State ESL Program is an academically oriented intensive English program in the Institute for International Studies, offering ESL courses of 20+ hours a week to college bound or English only students in nine different skill and knowledge areas, including applied grammar, computer assisted composition, academic reading, listening comprehension, conversation, speech development, oral skills workshop, error analysis, and TOEFL preparation, at six different proficiency levels, preparing them for degree studies at Murray State or any other higher learning institutions in North America or elsewhere.

After you arrive on the Murray State campus and before you take any ESL classes, you will take a placement test, which consists of three parts, an oral interview with one of the ESL instructors, an essay writing exam, and an Institutional TOEFL that the Murray State ESL program is authorized to administer regularly, and you will be placed accordingly in a level where you can progress the most. The ESL Program also offers the ESL students a university transition class, orienting new students like you to campus life and providing you with information that you may need for a successful experience at Murray State.

ESL classes start and end at the same time as do university classes for both fall and spring semesters, but we divide both semesters in the middle to make two ESL terms, so plus the summer ESL term, we have five 8-week ESL terms in a calendar year. You'll have classes every day from Monday through Friday from 9:00 in the morning to 2:50 or 3:50 in the afternoon. New students will also have a transition class on Wednesdays or one afternoon after your last class. The ESL program may also use Wednesdays for activities or field trips for special group students.

In addition to the regular ESL curriculum, you will also have the opportunity to participate in our Conversation Partners Program to further improve your English and learn more about American culture by interacting with an American student outside the classroom. This has been a well-received program by both ESL students and participating American students. You are encouraged to join the program and you can find more information about this program at the end of this handbook or go to our website at http://www.murraystate.edu/international/esl/ESLConPartner.htm.

We also want you to know that all instructors in our program are professionally trained. Most of them have a Master’s degree in TESOL, Teaching English to Speakers of Other Languages, or a related academic field. They know how to help you improve your language skills, can help you adjust to the new environment, and are willing to work hard to help you become more proficient in the shortest time possible. We know you will be working hard too. We are so glad that you have come from afar to join our program, and we will do our best to make sure you will have as good an education at Murray State as you can expect of any quality ESL program in the United States.

Welcome to our ESL Program in the Institute for International Studies at Murray State!

Please note that all fees are subject to change without notice and that there is a $20.00 service charge on all returned checks.

*Dorm fees are based on the second lowest rate for Hart Hall, Regents Hall and White Hall. The lowest rate is $2,184 per semester for a shared room in Franklin Hall, Springer Hall and Old Richmond Hall. The two higher rates are $2,621 per semester for a shared room in Elizabeth Hall and Hester Hall and $3,003 per semester for a shared room in Lee Clark Hall and James H. Richmond Hall, respectively. For more information about housing rates, please go to http://www.murraystate.edu/campus/Housing/housingrates.aspx.

Students who begin ESL in August or January and use campus housing and meal facilities will be billed on the university semester (16-week) schedule even if only planning to stay for one 8-week ESL term. If this occurs, the student will be refunded the difference upon leaving the university. This 16-week semester payment plan is mandatory. Students who begin ESL in October or March (or summer term) will be billed only for the remaining 8 weeks in the university semester.
PAYMENT POLICY

After you register for classes, you will be able to see the amount you owe for ESL tuition and fees in myGate. ESL students must pay all of their fees, including housing, tuition, and meals by the payment due date, which will be provided on registration day. Students have the choice of setting up a payment plan ($30 fee plus interest charges) on myGate. **If you have not paid or set up an official payment plan by the payment due date, you will be dropped from classes and will be considered as no longer enrolled, and need to return to your home country within two weeks.** If you have any financial holds on your account, you cannot receive your grades or register for classes.

**You can pay your tuition and housing fees the following ways:**

1. Pay online through myGate with a pinless debit card, electronic check, credit card (Visa, MasterCard, Discover or American Express. A 2.75% transaction fee or $3 minimum fee will be added with credit card payment) or international wire transfer (added fees will apply).

2. Purchase a money order (available at the Curris Center Post Office on campus or at Wal-Mart), write a bank check, or use traveler’s checks. Enclose payment in a Bursar’s envelope (available in Room 110 or the Pay Station at Woods Hall) and drop this in the Cashier’s box on the sidewalk at Sparks Hall. You must include your name and M# with the payment. Change cannot be given for traveler’s checks, so you may need to combine them with another form of payment to avoid overpaying.

   Payments can also be mailed to:
   
   Murray State University  
   200 Sparks Hall  
   Murray, KY 42071

3. Pay online through PeerTransfer from myGate with an international credit/debit card or wire transfer. Instructions to use PeerTransfer:  
   
   http://murraystate.edu/Admissions/BursarsOffice/InternationalStudentPayments.aspx

Please note that there is an additional fee charged to you if you pay through PeerTransfer. The fee depends on the amount, the exchange rate, and other factors. We suggest that you open a bank account in Murray so you can pay your tuition and fees through myGate using your e-check or debit card without having to pay any extra service/transaction fees.
WITHDRAWAL POLICY

A student who registers for ESL classes and then wishes to withdraw from the program or drop 1 or more classes must notify the ESL staff and complete the withdrawal form on myGate. Students are still required to pay tuition and fees in accordance with the following scale.* The official ESL calendar will be used and the first day of classes is the day ESL classes officially begin.

<table>
<thead>
<tr>

<td>Withdraws within 11-23 days*</td>
<td>50% penalty owed</td>
</tr>
<tr>
<td>Withdraws after 24 days*</td>
<td>No refund (total tuition due)</td>
</tr>
</tbody>
</table>

Please note: If you withdraw from school, you must abide by the immigration regulations regarding exiting the U.S., campus rules regarding moving out of campus housing, and you will need to fill out a withdrawal form. (See an advisor for details.)

*(Weekends are included in the counting of days. This policy follows the MSU withdrawal schedule but with the days proportionally reduced since the ESL term is one-half the length of the university semester. Refer to the MSU Official Schedule of Fees for more information.)

REFUNDS

To receive a refund, you must have a “permanent address” entered in myGate. To do this, go to the “academics” tab and then log-in to “self-service banner.” You can update your addresses under “personal information.”

Housing refunds will not be issued until you check out of your room permanently. They will be mailed to the address you have in myGate. Please make sure that your mailing address is accurate; otherwise, you will not be able to receive your refund check.
LATE ARRIVAL POLICY

The late placement testing for students who cannot arrive by the beginning of the term will be on the Wednesday of the first full week of classes. If a student arrives after that time, they will be temporarily placed in a level based on a speaking interview and writing test. At the end of that term, they will be given the TOEFL test and will be re-placed based on the results. For example, if they were originally placed in Level 2, but their TOEFL score is a Level 3 score, they can go to Level 3 the following term. However, if their TOEFL score is Level 2, they may have to take Level 2 again.

Examples:

1) A student’s start date is Monday, January 12, and ESL classes start on Thursday, January 15. He arrives in Murray on Friday, January 30, which is 10 days after classes started. He has a writing exam and an oral interview and based on those results is temporarily placed in Level 3. He takes the TOEFL at the end of the term and receives a 480. He will then be re-placed in Level 5, or he may have to go to Level 2 if his score is 380.

2) A student’s start date is Monday, March 23, and ESL classes start on Thursday, March 26. She arrives in Murray on Friday, March 27. She has a writing exam and oral interview and based on those results is placed in Level 4. On the following Wednesday, April 1, she takes the TOEFL test and receives a 450. She will stay in Level 4.

The class days that a new student misses because of arriving late will not be used to lower their grades but will be counted toward the maximum absences (10) allowed for the term.
ATTENDANCE POLICY

Student’s Responsibility: When you are absent from class, it is your responsibility to 1) find out what assigned work was missed, 2) make up any work, and 3) explain to your teacher about unavoidable absences such as for sickness, medical appointments and accidents. Please understand that an absence for any reason is still counted as an absence.

For classes that meet 4 times per week: After 3 excused/unexcused absences, you should request a consultation with the instructor. If you have 5 absences, your grade will be lowered one letter grade (10 points). If you have 7 absences, your grade will be lowered by 50% and you will fail the course.

For classes that meet 2 times per week: After 2 excused/unexcused absences, the student should request a meeting with the instructor. If you have 3 absences, your grade will be lowered one letter grade (10 points). If you have 5 absences, your grade will be lowered by 50% and you will fail the course.

Tardiness: If you have 3 tardies in one class, they will count as 1 absence for that class. If you are more than 15 minutes late to class, you will be counted absent. If you leave class for 15 minutes or more, you will be counted absent.
ACADEMIC HONESTY POLICY

I. Academic Honesty Policy:
Murray State University takes seriously its moral and educational obligation to maintain high standards of academic honesty and ethical behavior. Instructors are expected to evaluate students’ academic achievements accurately, as well as ascertain that work submitted by students is authentic and the result of their own efforts, and consistent with established academic standards. Students are obligated to respect and abide by the basic standards of personal and professional integrity.

Violations of Academic Honesty Include:

Cheating - Intentionally using or attempting to use unauthorized information such as books, notes, study aids, or other electronic, online, or digital devices in any academic exercise; as well as unauthorized communication of information by any means to or from others during any academic exercise.

Fabrication and Falsification - Intentional alteration or invention of any information or citation in an academic exercise. Falsification involves changing information whereas fabrication involves inventing or counterfeiting information.

Multiple Submission - The submission of substantial portions of the same academic work, including oral reports, for credit more than once without authorization from the instructor.

Plagiarism - Intentionally or knowingly representing the words, ideas, creative work, or data of someone else as one’s own in any academic exercise, without due and proper acknowledgement.

If you plagiarize while in the ESL program, you will fail the assignment and have to complete an Academic Honesty Violation Form. If you plagiarize a second time, you will fail the course.

For more information, please refer to the University catalogue:
http://www.murraystate.edu/academics/RegistrarsOffice/catalog_1415.aspx
ADVANCEMENT POLICY

Skill level is determined by placement testing. Students who maintain a 2.0 GPA (Grade Point Average), have a good attendance record, and have not failed more than one class can expect to advance to the next level and may be ready for full admission to the university in an anticipated amount of time (listed below).

<table>

</tbody>
</table>

1) You cannot go to the next level if you fail 2 or more classes OR if your GPA is below 2.0. Courses designated with a pass/fail (P or E) will not be calculated into the GPA.

2) If you passed Level 6 classes but did not meet the TOEFL requirement, you must repeat Level 6 or maintain 18 hours of ESL classes from other levels. Either option requires you to pass your classes every term. (See page 13 for more information)

3) Please note that due to a policy change, if you are conditionally admitted, you cannot take any University classes when you are in Level 5 or 6. Your ESL I-20 will end when you graduate from ESL, and you have 60 days after you graduate for your I-20 to be updated to the university level.
GRADE POINT AVERAGE POLICY

Final completion of the program and advancement to the next level is determined by grade point average (GPA) in addition to the TOEFL score and number of failing courses—no more than one E in all classes. A student cannot have less than a 2.00 GPA in order to graduate or advance to the next level. Courses designated as pass/fail (P or E) will not be calculated into the GPA. The following system of grades is used for the evaluation of course work, with a 4.00 grading scale used to determine the GPA:

<table>
<thead>
<tr>
<th>Letter grade</th>
<th>Evaluation</th>
<th>Quality points for each credit</th>
</tr>
</thead>
<tbody>
<tr>

<td>Exceptionally high quality</td>

</tr>
<tr>
<td>D</td>

</tr>
<tr>
<td>E</td>
<td>Failure</td>
<td>0</td>
</tr>
</tbody>
</table>

A quality point (QP) is a point earned per credit hour that is used to calculate a student's GPA. The number of points received for each course is determined by the grade earned and the grading scale used. Since Murray State uses the 4.00 grading system, each credit hour of A receives four QPs, each credit hour of B receives three, each credit hour of C receives two, and each credit hour of D receives one. For example, a student who earns an A in a four-hour course will receive 16 QPs. Notice that a grade of E affects a student's grade point average negatively because it earns zero (0) QP for the class. If you receive all Cs and Ds, you will not be able to pass the level, because your GPA will be below 2.00.
Examples for calculating a GPA:

Example One: This Level 6 student has a GPA of 3.44; therefore, he has the required GPA. As long as the student has the required TOEFL exam score for his program, he will be able to graduate from the ESL program.

NOTE: The grade point average of a student is defined as the ratio of the total number of quality points to the total number of hours attempted, truncated (not rounded) to the two decimal points. For example, a 3.999999 calculation would be stated as a 3.99 GPA.
EXIT REQUIREMENTS

For successful completion of the ESL program:

1. Students are to complete all courses with a minimum GPA of 2.0, fail no more than 1 class in a term, and receive recommendations from their instructors.

2. Students must take an exit exam consisting of a written essay (taken in your writing class) & Institutional TOEFL*.

   • **Undergraduate students** must receive a TOEFL score of at least 475 (paper-based), a 71 on the IBT (no less than 16 in each section), or an IELTS score of 6.0 (with no band less than 5.0) to graduate from the ESL program and be admitted to the university. **Note**: MSU undergraduate admissions requirements must also be met. If you use an IBT TOEFL score or an IELTS score, an official copy of your score should be sent to MSU directly from the testing services, ETS or IELTS.

   • **Graduate students** must receive a TOEFL score of at least 475 (paper-based), a 71 on the IBT (no less than 16 in the Reading, Writing, or Listening sections), or an IELTS score of 6.0 (with no band less than 5.0) to graduate from the ESL program. To be admitted to a graduate program, they must meet all the requirements, including specific TOEFL scores, of their graduate program (see Graduate Programs sheet). Please consult the MSU Graduate Bulletin for specific program admissions requirements for international students.

*The Institutional TOEFL score alone will not meet the university’s admissions requirements without recommendation or completion of the ESL program. If you have already met the TOEFL requirement, you do not have to take it again. A TOEFL score is valid for a period of two years.*
PROGRESS, FLOATER, & PARTNER UNIVERSITY
STUDENT POLICIES

1. Students cannot fail a level multiple times.
   A student who fails to make progress in the ESL program may have their I-20
   terminated. Students who do the following things will be put on probation during their
   next term:
   1) Fail all their classes
   2) Fail (overall GPA less than 2.0) the same level 2 times
   If a student fails their probation term, their I-20s will be terminated. An I-20 end date
   will not be extended for any reason if the student has been on probation.
   Note: SACM requires scholarship students not to repeat the same level more than
   twice.

2. Students may be “floaters” for a limited number of terms.
   If a student passes Level 6 but does not get their required TOEFL score, they may
   take 18 hours of ESL classes from different levels in order to maintain their full-time
   status the next term. This is called being a “floater” because you are taking classes
   from different levels. A student may be a floater for a maximum of 3 ESL terms.
   Floaters are expected to maintain a 2.0 GPA and not fail more than one class each
   term they are floating. If floaters fail two terms or fail all classes one term, they will not
   be allowed to continue taking ESL classes and they must either transfer to another
   university or leave the United States.

3. Changing Program Level from ESL to University.
   Please note that due to an immigration rule change, if you are conditionally admitted,
   you will still need to be a full-time student in Fall 2 ESL term or Spring 2 ESL term
   even if you graduate from the ESL program at the end of Fall 1 term or Spring 1 term
   unless you return to your home country upon your ESL graduation. Your ESL I-20 will
   end when you graduate from ESL, and you have 60 days after your graduation for
   your I-20 to be updated to the university level.

4. Concurrent Group Student Policy
   In order to graduate from the ESL Program as a group student from your home
   university, you must take the required number of ESL hours in relationship to the
   university hours you have. This may mean that you will need to repeat some level 6
   courses in the second term. (You may not choose courses from other levels). Group
   students must take all level 6 classes over the course of both terms.

   ****All students need to be in “good standing” with their ESL classes to be accepted to
   Murray State University.

MEAL PLAN REQUIREMENTS

All students who live on campus are required to buy Murray State University Meal Plans, except students who are 21 or older or who have junior or senior status. Other students can buy a meal plan if they choose to do so.

The meal plans must be purchased at the beginning of each semester (excluding summer). You should pay for it at the same time you pay your other fees (tuition, housing charges, etc.). All students (except group students) who are required to purchase a meal plan will automatically be charged for the Unlimited Plan. After 2 semesters, you may change to the 175/400 or 150/300 plan if you tell the Dining Services Office (Curris Center 1st floor) within 1 month from the time classes start. You cannot save meals from one semester to another. You cannot get a refund for meals you do not use. The minimum plan option for non-exempt students from partner universities is the Copper Flex plan.

1) Unlimited Plan: Unlimited access to Winslow Dining Hall for the entire semester. May enter as many times per day as you wish for meals, snacks and beverages. Also includes eight (8) Winslow guest meals to spend on family and friends and $75 Flex to spend at other campus dining venues.

Cost: $1701

2) 175/400 Block Plan: 175 Winslow meals and $400 Flex to spend at any campus dining venue. Take-out option available.

Cost: $1701

3) Copper Flex Plan*: $935 Flex to spend at any campus dining venue.

Cost: $915 (meets minimum requirements for students from partner universities)

Anyone can purchase a meal plan and it will save you money if you plan to eat on campus frequently. There are more meal plans available. For more information please go to the Dining Services office in the Curris Center or visit this website: http://www.murraystate.edu/Campus/Dining/MealPlans/mealPlans.aspx

**Flex Dollars can be used like cash in all dining venues and are not subject to Kentucky sales tax. Six percent savings on everything!
USING THE TELEPHONE

IMPORTANT PHONE NUMBERS:
ESL Office 809-3247   Weihong Gao 809-4103
Dominique Taylor 809-3917 ESL Admission Office 809-3265
Marcus Bell 809-2261 Campus Security 809-2222

DIALING
All Murray State University campus phone numbers begin with the prefix “809” (809-XXX). If you are using a campus phone to reach another campus phone, dial only the last four digits. If you are using your cellphone, you need to dial the area code “270” followed by the seven digit campus phone number.

Prefixes for phone calls in Murray are “226, 227, 753, 759, 762, 767,” or “978.” The area code for the Murray region is “270.” If you are using a campus phone, dial “8” and then “270” to reach an outside line. For long distance calls, you will need a calling card to call long distance from a campus phone. For a toll free number, dial 8-1-800-prefix-number. If you call home from an off campus phone or your cell phone, the international access code is “011.” You are allowed one free phone call home from the ESL Office immediately after you arrive (when offices are open) to call your family.

FERPA - Family Educational Rights and Privacy Act

Under this United States Law, it is illegal for the Institute of International Studies (including ESL) to release a student’s grades (or TOEFL score) to anyone but the student. This includes family members and friends. If you would like your grades sent to your family or another school, you must fill out the release on your myGate, or you could request your grades and send them yourself.

Also under this law, it is legal to give out your phone number, house address, and e-mail address to anyone who requests this information. This is called directory information because it can be found in a phone book. If you would prefer that your address and phone number NOT be given out to those who request it, you must sign a non-disclosure request form. You can fill out this form in the registrar’s office in Sparks Hall.

NEVER give your social security number, date of birth, credit card information, or bank information to anyone that you do not know by phone or email.
M NUMBERS, MYGATE, NETWORK & RACERMAIL

M Numbers

All Murray State students have an 8 digit ID number called an M Number. This number is used only at Murray State University and can be found on your student ID card or on your myGate page.

myGate, Network & RacerMail

MyGate is the university’s system that students use to see their class schedules, pay their bills, receive their grades, and much more. Please follow these instructions:

1) Log in to an on-campus computer using username: Murray password: racers

2) This takes you to the myGate log-in page. Enter the username which was given to you in your welcome packet when you arrived in Murray. Your username is your first initial + last name (example: dtaylor) and it could also include a number (dtaylor37).

3) Choose a new password that follows the password rules listed. Please read the password rules carefully.

4) Answer the security questions. It is a good idea to write down the answers to your security questions because you will probably need them later. Once you answer the questions, you’ll be on the myGate home page. Click on orange “change password” box on the left side to change your system password. This one password covers your network, myGate, Canvas, and RacerMail.
SOCIAL SECURITY NUMBERS

A social security number is a nine digit number given to US citizens, permanent residents, and temporary (working) residents. You do not need a social security number unless you work on-campus. If you want to work on-campus and receive a social security number, you must:

1) Find a job on campus.

2) See an ESL advisor to get an application & social security eligibility letter. You must have your ESL advisor, your future employer, and the Human Resources office (4th floor, Sparks Hall) sign the eligibility letter.

3) You must submit your forms at the Social Security Office in Mayfield, KY (30 minutes away). When you submit your forms, you must take the following things: social security application, eligibility letter, passport, I-20, I-94 card, & copies of your passport, I-20, and I-94 card. Please use this website at https://i94.cbp.dhs.gov/I94/request.html to get your I-94 card.

4) Your card will be mailed to your ESL advisor’s office 2 weeks after you apply. According to the Social Security Office, you cannot be given your card until you begin working.

MSU ID CARD

All Murray State students should have a Murray State ID card made at the Racer Card office on the first floor of the Curris Center. The cost for these cards is $20.00 and can be paid along with the rest of your tuition and fees online. If you have a meal plan, Flex dollars, or declining balance, it will be accessed through this card. You also need it to get into the Wellness Center, check out items from the Murray State libraries, and to get into your Residential College if you live on campus. You may also use your card to get a discount from local businesses (restaurants, movie theater, etc.) if they offer a student discount.
DRIVER’S LICENSE

To receive your driver’s license, get an application packet and proof of status letter from your ESL advisor. You must complete the packet and all of the requirements and then go to Paducah, KY (50 minutes away) to apply. After your application is approved, you will receive a letter in the mail giving you further instructions. After you receive the letter, you will have to go to the Murray Courthouse to take driving test(s).

Non U.S. citizens may drive in the U.S. on their valid foreign license and International Permit for up to one year from the date of admission into the U.S. provided their home country is part of the Geneva Compact. Drivers from non-Geneva Compact countries must obtain a Kentucky license within 30 days of establishing residency in Kentucky. (Source: KYTC website)

PUBLIC SAFETY INFORMATION

Murray State University is a relatively safe campus, but you still need to take precautions.

Please call Public Safety at 270-809-2222 if you would like an escort when walking on campus at night. Students should not walk alone at night and should always walk in well-lit areas.

If your cell phone receives text messages, please sign up in myGate for text alerts from the Public Safety office.

For a complete list of all public safety information, including different types of emergency situations, please visit their website at https://www.murraystate.edu/headersmenu/Offices/PublicSafetyAndEmergencyManagement/
F-1 STATUS INFORMATION

**F-1 Student:** 1) A person who is a nonimmigrant (not a U.S. citizen and is not planning to live in the U.S.A. permanently) 2) He or she is taking a “full course of study” to reach a specific educational/professional goal at the school listed on the I-20 form. The F-1 student must be working toward the goal written on his/her I-20 form.

**Maintaining Status or “In Status”:** It is extremely important to maintain your status while you are in the U.S.A. If you fail to do this, you could be “deported” or sent back to your home country by DHS – Department of Homeland Security. Very briefly, here is what you need to remember as your responsibilities for maintaining your status (legal stay) as a non-immigrant student in the United States. Immigration regulations can often be confusing and sometimes change without notice, so if you have any questions about immigration matters, see one of the ESL advisors.

1. Your passport must be kept valid for at least 6 months.
2. You must pursue a full course of study (18 hours per week in the ESL program, 12 hours undergraduate or 9 hours graduate).
3. You must complete one academic year of study (4 terms in ESL or 2 semesters of university) before you are eligible for a vacation (unless you are taking summer vacation) or break (see examples on next page)
4. You may not transfer to a different field of study or continue on for a higher degree at Murray State University or elsewhere without notifying the Department of Homeland Security (DHS). Contact one of the ESL advisors or admissions.
5. Full-time students are authorized for on-campus employment only. The maximum work load is 20 hours per week. **Off campus employment is prohibited.**
6. Students are required to notify the school within 10 days of changing addresses. Inform the ESL office of every address change you make & if you live off campus, you also need to update your address in myGate using the “self-service banner” link.
7. If you plan on leaving the U.S. for a vacation, remember to have your I-20 signed by an ESL advisor. Otherwise, you will not be able to come back to the United States.
F-1 Status information Continued

Out-of-Status: It is violating the conditions of your F-1 Status.
What can make you “out-of-status”?

- **Not pursuing a full course of study**
- **Unauthorized employment** - This means working both off or on-campus when you have not been allowed to do so.
- **Not following correct procedures to transfer to another school or to change to a different program or level in the same school**
- **Accepting or signing up for any form of U.S. federal, state or local public assistance such as Medicaid (medical assistance) and food stamps.**

What can happen to me if I am “out-of-status”?

- You will not be allowed to work.
- You can lose benefits such as scholarships.
- The DSO cannot by law sign your 1-20 form should you want to transfer to another school or leave the country. You are ALWAYS free to leave the U.S., but if you want to return, you are likely to have difficulties getting back in.
- The DSO does not have to provide you with any services.

How do I get back “in-status” if I am now “out-of-status”?

- Procedures are complicated. You need to see your ESL student advisor to discuss your options if you become out of status.

Who determines if I am “out-of-status”? 

- The DSO does because h/she is a designated school official who is given authority by the DHS in such matters.

When can I go home to my home country – when I want?

- You can leave and return to your home country whenever you want. However, if you are out-of-status, the DSO cannot sign your I-20. If you leave during a time you are taking classes, your I-20 will be terminated and will need to be made active again before you can return to the United States.

What is a “Break” and when can I take one and STILL be “in-status”?

A “Break” is taking ONE TERM OFF (not attending classes) and still staying in the U.S.A. The ESL Program has 5 terms – Fall Term 1, Fall Term 2, Spring Term 1, Spring Term 2, and Summer Term. In the ESL Program, you can have only ONE BREAK in one academic year. **This means you can have one break after you have completed FOUR CONSECUTIVE (back-to-back) terms.**
F-1 Status information Continued

Examples:
1. If you attend ESL Fall 1, Fall 2, Spring 1, and Spring 2, then summer would be your normal break- like the degree seeking students at MSU.
2. SUMMER is considered the normal break UNLESS you take a break during the year- Fall 1, Fall 2, Spring 1, or Spring 2.
3. If you come for the summer term, you must attend summer classes, Fall 1, Fall 2, and Spring 1. Then, you can take Spring 2 off as a break.
4. If you attend Spring 1 and Spring 2, take the summer off, attend Fall 1, and then take Fall 2 off, you will have had 2 breaks and you will be “out-of-status.”

This is why every student’s situation is different. They attend different terms and can take breaks at different times. Please see your advisor if you want to take a break.

Also, leaving the U.S. is not a break – you can leave to return home whenever you want. But if you are not on an approved break, you cannot just stay in the U.S.A. for 2 days, 2 weeks, or 2 months to wait for a TOEFL score. You have to make the decision and go home. Otherwise, you are out-of-status.

What is a DSO? A DSO is a designated school official at your university. The DHS designates MSU to designate certain people as officials:
1. To issue, prepare, and sign I-20 forms.
2. To monitor F-1 students' status (and other nonimmigrants who are at the school).
3. To approve benefits for F-1 students and their family members.
4. To serve and inform international students of their rights and responsibilities.

Who are the DSO’s at MSU?
1. Marcus Bell, ESL Student Advisor
2. Misty Brown, International Student Advisor
3. Joanne Farley, Admissions Assistant II
4. Brittany Fentress, International Student Advisor
5. Weihong Gao, ESL Director
6. Maxie Heppe, Admissions Assistant II
7. Bill McKibben, Director of International Enrollment and Retention
8. Dominique Taylor, ESL Student Advisor
9. Shawna Thomas, Admissions Assistant II

HEALTH INSURANCE

International students are required by the US Government to have adequate health insurance during their stay in the United States. Murray State University requires that students’ policies meet the following requirements:

1) The policy must be written in English and rates must be in US dollars.

2) The policy must include in-patient and out-patient coverage for sickness and accident.

3) The policy can have no more than a $500 deductible per individual, accident, or illness.

4) Must state a maximum benefit of no less than $100,000 per accident or illness ($50,000 for J Visa holders).

5) Must have no less than $10,000 provision for medical evacuation to the student's home country.

6) Must provide no less than $7,500 for repatriation (after death, removal of remains to student's home country).

7) Must clearly state beginning and ending coverage dates (must include the date from the first day of classes).

8) Students must provide proof of coverage before they are allowed to enroll in classes.

Students may purchase a policy from their home countries and bring it with them or they may purchase a plan in the United States. Following is some information about a few of the plans that are available to ESL students. We do not necessarily recommend any one over another but want to help students conserve financial resources and meet the minimum requirements of the university and the federal government.
If students are under the age of 25:

The Compass Silver plan from ISO meets MSU requirements and costs $31/month* and there is a $16 application fee. The website to purchase the insurance is www.isoa.org

If students are aged 25-29:

The Compass Silver plan from ISO meets MSU requirements and costs $48/month* and there is a $16 application fee.

If students are aged 30 – 65:

The Compass Silver plan from ISO meets MSU requirements and costs $95/month* and there is a $16 application fee.

There are other companies providing health insurance to international students, but ISO is the company most often used by our students. Please make certain that your plan meets the requirements specified on page 25.

HOUSING INFORMATION

On Campus

Murray State University has nine residential colleges (Regents, White, Hester, Elizabeth, Lee Clark, Springer, Richmond, Hart, and Franklin) and apartments called College Courts. All ESL students that are not 21 by the ESL registration date are required to live on campus. If you have junior or senior status at another school, you may get an exemption.

Here are some facts about the Residential Colleges that you need to know:

1) You must pay a $150 housing deposit before when you apply for housing online. This will be refunded when you check out of your room permanently as long as there are no damages to your room. The refund will be mailed to you a few weeks after you check out.

2) If you have already applied for university housing and no longer need to live on campus, you must contact the housing office in writing before June 1st (for the fall) or December 1st (for the spring) in order to receive your $150 deposit. If you do need to live on campus, you must sign a housing contract when you check into your room. This contract goes from the time you check-in during the fall semester until the end of the spring semester in May. Once you have checked into your room, signed your housing contract, and been given the key to your room, the housing contract becomes binding and you are responsible for payment of the full amount of housing charges for the entire contractual period (August-May). If you break your contract and move out early, you will lose your $150 deposit and you will be responsible for paying housing costs. Please contact the housing office with any questions about the housing contract.

3) If you lose your room key and do not find it in 24 hours, you will have to pay a $75 lock change fee.

4) Every floor of the Residential Colleges (RCs) has at least 1 Resident Advisor (RA) that can help you with any questions you have about housing. Every residential college (RC) has a Resident Director (RD), the building manager.

5) When you check out of your room, you must turn in your key and have your room checked by an RA (Resident Advisor).

6) There are different prices for different residential colleges.
7) If you want to move to another room, switch roommates, or move to another building, please visit the housing website to complete the request form, and talk to your RA or someone at the front desk.

8) For security purposes, you must show your MSU ID to the front desk worker each time you enter your RC. You can bring a guest to your room, but you must check them in and leave their ID at the front desk, stay with them at all times, and escort them back to the front desk when they leave.

9) Your RA will have floor meetings sometimes throughout the semester to give you important information. Please go to the meetings.

10) The RCs close for three days during Thanksgiving break, about 1 month during Christmas break, and 1 week during Spring break. If you have a 10 month contract, you pay more but can stay on campus during all of the breaks. If you don’t have a 10 month contract, you can pay $12/night for each night you need to stay on campus during the breaks. If you are in Lee Clark, Regents, or White, you can stay in your own room, but if you are not, you will have to change rooms.

11) Smoking and alcohol are not allowed in the RCs.

12) There are many other housing rules. Please be sure to read your housing contract and other papers you received when you checked into your room and ask your ESL Advisors or RA if you have any questions.

Here are some facts about **College Courts** that you need to know:

1) College Courts apartments are primarily available for married students, single parents with children, graduate students, and non-traditional students. Undergraduate students who are at least 21 years of age by the first day of registration are also eligible to live in College Courts; however, the above mentioned groups will be given first priority over undergraduate students.

2) To get back your $150 deposit, you must cancel your spring housing by December 1, summer housing by May 15, and fall housing by June 1.

   For more information, please see the Housing office’s website: http://www.murraystate.edu/campus/Housing/index.aspx
EMERGENCY ACTION PLAN

This plan is to advise students on what to do if the university is shut down due to bad weather or other incidents.

Central Meeting Place
Students are encouraged to go to Woods Hall if communications (i.e. cell phones, phone lines, etc.) are not operational. Staff members will be present to offer additional information concerning a list of available shelters and services provided by the university/community. Please tune into WKMS (91.3 FM) radio station or check the MSU website (www.murraystate.edu) for additional information if you are unable to come to Woods Hall.

Preparations
If the weather forecast predicts disastrous weather, here is a list of things that you might want to have available:
- Bottled drinking water
- Cash (in case ATM machines are not available)
- Flashlight
- Small radio (battery operated)
- Food that does not require refrigeration (bread, peanut butter, jelly, granola snacks, etc.)
- Extra batteries for radio and flashlight
- Prepare a pack with clothing, food, water for a couple of days
- Hand wipes/sanitizer
- If you own a vehicle, make sure you have a full tank of gas and ice scraper.

Precautions to take during severe weather
If you live off campus, please remember to do the following things:

- Turn off the water in your apartment (i.e. turn off water valves underneath the sinks and the toilets) to keep the pipes from freezing if the temperature is below freezing and you don’t have heat.
- If the electricity is off, turn off all appliances to avoid damage from power surges.
- Do not drink the water or use the ice from the faucet or refrigerators that have water and ice making capabilities.
- Fill bath tubs or buckets to use to flush toilets.

ESL CONVERSATION PARTNERS PROGRAM

The ESL Conversation Partners Program was designed to provide an additional opportunity for ESL students to practice their spoken English with a participating American student outside the classroom and learn more about American culture at the same time. We also see this as an opportunity to further promote intercultural understanding and awareness between American students and international students. This page will give you a brief introduction to the program. You may also go to our website at www.murraystate.edu/esl for more information.

Who can have a conversation partner?

The ESL Conversation Partners Program is a volunteer program for American students and voluntary for ESL students. Any of you interested in this program can apply by filling out the ESL Conversation Partners Program Application form on line at http://www.murraystate.edu/international/esl/forms/ESLStudentApplication.pdf, printing it out, and turning it in to Marcus Bell, 113 Woods Hall. You can also pick up the application form in Room 113.

What do ESL students do with their conversation partners?

ESL students participating in this program meet with their American conversation partners an hour a week, having a conversation about what you and your conversation partner are both interested in—you’ll see the recommended conversation topics on our website. Commitment to the program and mutual respect are expected of both parties. Once you are in the program, you are expected to attend the weekly meeting with your conversation partner as scheduled. In case you are not able to make it to the meeting because of an emergency, please inform your conversation partner in advance.

Who to contact?

If you need more information or have any questions about the program, please contact Marcus Bell at mbell23@murraystate.edu, 2261(campus phone) or stop by his office at 113 Woods Hall.
