Admission to CDI Undergraduate Program

Students cannot enroll in CDI 325, 345 or 400-level CDI courses until they have been admitted to the program.

Admission Requirements

A student must

1. have completed 40 semester hours of coursework with a minimum GPA of 2.50;
2. complete an application for admission to the program;
3. apply by February 1 for fall admission or by October 1 for spring admission;
4. follow the most current Bulletin when admitted to the program.

GPA Requirements

Once admitted to the program students must maintain an overall GPA of 2.50 and an area GPA of 2.75. Any student whose GPA falls below this minimum must meet with the division retention committee before participating in the upper-level CDI courses. The decision of the division retention committee will be final.

The area GPA is calculated from the courses listed as CDI Requirements.

Teacher Education GPA Requirements

A teaching certificate is required to obtain a tenured position as an SLP in the Kentucky schools. Specific undergraduate courses must be taken before a student can meet qualifications for a teaching certificate. Courses marked with an asterisk are required for those students planning to pursue a teacher certificate.

The following courses must be passed with a C or better: CDI 480, COM 161, CSC 199, MAT 117

The combined GPA of the following classes must be 2.5 or higher: CDI 480, CDI 621, EDP 260, SED 300
