The Honors College offers a unique educational experience designed to teach students how to learn, how to think critically and creatively, and how to communicate effectively. Students with evidence of high achievement may qualify for the Murray State Honors College. This program has been designed to provide future social and professional leaders with exceptional thinking and communication skills, an appropriate breadth and depth of knowledge, and a sense of cultural and social responsibility.

Entering freshmen with an ACT composite score of 28 or above and exceptional high school records are invited to apply for admission to the Honors College. Acceptance is based on such factors as standardized test scores, grade point average, and evidence of creative and leadership abilities as displayed in extracurricular interests and activities.

Accepted students must participate in at least one Honors Seminar a semester until the sequence is complete unless arrangements are made with the director of the Honors College. In order to receive an Honors Diploma, an honors student must complete the Honors Sequence described below, fulfill the required competencies, maintain a 3.2 grade point average, and satisfy all Murray State graduation requirements including the completion of an area or a major and minor. In the programs they choose, honors students will be expected to select the more challenging courses offered.

The Honors College encourages intellectual exchange among students, professors, and visiting scholars. Ample opportunity is provided for dialogue.

The hallmarks of the Honors College are small class size and the resulting individual attention available to its students. Professors and guest lecturers are readily available to all students in developing a full understanding of the course materials. The faculty are selected partly on the basis of their commitment to fostering productive, interactive intellectual contact with students.

Only students admitted to the Honors College may enroll in HON prefix courses, including ENG 150 Honors English.
