## Professional Experience

### Metro Nashville Public Schools, August 2012-present

- K-6 Certified Elementary Teacher
- Taught 5<sup>th</sup> grade at Antioch Middle School; 2<sup>nd</sup> and 4<sup>th</sup> grades at Amqui Elementary School; and 3<sup>rd</sup> grade at Hull-Jackson Montessori Magnet School.
- I was responsible for teaching Math and science in fifth grade, with an emphasis on real world math and science scenarios.
- In elementary, I have been responsible for teaching all subjects and focused on science and social studies integration into reading and math curriculum. I have incorporated Kagan strategies and technology into the classroom in order to foster success and differentiation among students.
- I incorporated project based learning and cooperative learning strategies into the classroom and used them to implement a successful classroom community.
- While at Amqui Elementary and Antioch Middle School, I created a celebration for International Women's Day and successfully facilitated an entire day long program for young women to focus on goal setting and personal achievement.
- At Amqui I served on the School-Wide Positive Behavior Committee, where we handled school wide discipline at the tier 1 and tier 2 levels, and I also was a member of the Awards Ceremony Team and the Literacy Initiative Team.
- I have been the grade level team leader at both Amqui Elementary and Hull-Jackson Elementary, and served on the leadership team for both schools as well.

### Springfield Public Schools, August 2011-May 2012

- While in Springfield, I was the 5<sup>th</sup> grade team leader and worked closely with the curriculum coordinator to establish guided reading goals and increase fluency.
- I used backwards planning and data to tailor my instruction to meet students' needs at a more personal level.
