**RESEARCH EXPERIENCE**

---

2020

**Principle Investigator, Doctoral Dissertation**

Mississippi State University, Starkville, MS

Title: *Longitudinal examination of behavioral markers of positive valence systems and anhedonia.*

**Chair:** E. Samuel Winer, Ph.D.

2017

**Principle Investigator, Master's Thesis**

Mississippi State University, Starkville, MS

Title: *Assessing affective updating as a potential endophenotypic predictor of depressive symptoms.*

**Chair:** E. Samuel Winer, Ph.D.

2014 – 2019

**Emotional Processes and Experimental Psychopathology Laboratory, Graduate Research Assistant**

Department of Psychology, Mississippi State University, Starkville, MS

- Organized a comprehensive data set comprised of variables from four computerized tasks and 12 questionnaires administered throughout seven different sessions.
- Developed a protocol for running research participants as part of a longitudinal study for a federal NIHM R15 AREA grant.
- Adapted and developed experimental paradigms for the R15 AREA grant via E-Prime.

- Supervised and trained graduate and undergraduate research assistants in various paradigms used for running participants in experiments.
- Contacted and scheduled prospective participants for the longitudinal study.
- Created weekly run schedules for undergraduate researchers.
- Paid participants at the end of each session and kept a log of payments made for reconciliation.

**Supervisor:** E. Samuel Winer, Ph.D.

2013 – 2014

**Memory and Metamemory Lab, Undergraduate Research Assistant**

Department of Psychology, Mississippi State University, Starkville, MS

- Ran experiments with undergraduate participants and assisted them with computerized tasks by providing instruction.
- Entered data from completed self-report measures into Excel.
- Scanned academic journal articles and electronically entered articles into Endnote.

**Supervisor:** Deborah K. Eakin, Ph.D.

2013 – 2014

**Emotional Processes and Experimental Psychopathology Laboratory, Undergraduate Research Assistant**

Department of Psychology, Mississippi State University, Starkville, MS

- Ran experiments with undergraduate participants and assisted them with computerized tasks by providing instruction.
- Entered self-report data from experiments into SPSS and Excel.
- Helped formulate and write an introduction and discussion of a manuscript involving aggression and anhedonia.

**Supervisor:** E. Samuel Winer, Ph.D.
