

How to Get a Reprint of Your Tax Form

To reprint a past tax form follow the steps below:

- 1 Click "Tax Form Reprint."
- 2 Select a delivery method.

Note: You can select to receive your tax form reprint online, download a PDF, have the document faxed to you, or have the tax form mailed to you.

- 3 Click "Test Now."
- 4 Close the test PDF.
- 5 Click the "I saw" link.

Note: If the test was unsuccessful, click the "I did not see" link to download the latest version of Acrobat Reader.

- 6 Click "View & Print Your Tax Form Now."
- 7 Print the tax form.

Note: You must use the Acrobat Reader icon. Using the browser's print option will give you an invalid copy of the document.

The screenshots show the following steps:
