

EAP ID THEFT WEBINAR

Quick! Book Your Spot

30-Minute Webinar:
**UNDERSTANDING
& ADDRESSING
THE MOTHER
OF ALL
BREACHES**

Your Presenter: **CHRIS SHELTON** | Fraud Resolution Specialist

With news breaking recently that 26 billion records were compromised, including roughly 12 terabytes of data, it is now more important than ever to take preventative measures to safeguard your accounts and take measures to protect your identity. In this FREE 30-minute webinar, our Fraud Resolution Specialists will help explain the concerns around the "Mother of all Breaches" and what steps individuals can take to help protect their identities and lower associated risks.

WHAT WE WILL BE COVERING

- Compromised Data
- Best Practices to Keep PII Safe
- Common Attacks
- Data Breach Scan Tool
