

Your Trusted Legal Resource

The spread of the novel coronavirus (COVID-19) has left many of us with more questions than answers. Amidst the uncertainty, your employee assistance program (EAP) recognizes sound legal advice as a way to improve your wellbeing and relieve stress. Though this pandemic may be changing the way we live, you have the ability to still take control. Our attorney network remains ready to help you navigate your legal needs during this unprecedented time.

Commonly asked questions around COVID-19's impact:

Estate Planning/Healthcare Documents:

- How can I protect my parents and loved ones?
- Would I benefit from a will or trust?
- What documents are needed if I am, or a family member is admitted to a hospital?
- What's the difference between Power of Attorney and a Living Will?
- If I am recently married, do I need a new will/trust?

Tenant Rights:

- What happens to me if I can't pay rent?
- Can I be evicted?

Visitation:

- Can I still see my child(ren) during mandated lockdowns?
- What are my rights, and have they changed?

The EAP described herein provides access to legal services offered by a network of provider law firms to EAP members through membership-based participation. Neither the EAP nor its employees directly or indirectly provide legal services, representation or advice.

Your EAP services explained.

With 34 years of industry experience, our attorney network is dedicated to listening to your needs. By calling your EAP, you can expect a free legal consultation with an attorney in your local area. Through one of our 20,000 nationwide attorneys, you can be confident you'll find an affordable solution.
