

Murray State University Emergency Notification System MyConnect Portal

Welcome to your MyConnect Portal, part of Murray State's **Racer Alert** Emergency Notification System. The portal is designed for students, faculty, and staff to manage your existing emergency contact information and to add contact information such as your parents or other family members. The following step-by-step guide will help you set up your MyConnect Portal account.

Step 1: To begin, direct your browser to:

<https://murraystate1.bbcportal.com/entry>

Or click on the link found on your MyGate page.

***Note: you will need your M number to set up your account.

MURRAY STATE UNIVERSITY

The Murray State MyConnect Portal allows you to ensure your contact information is correct. It will also allow you to make additions to your contact information for receiving messages from RacerAlert through the Blackboard Connect system. That means that you can add parents or family members' phone numbers so that they receive emergency alerts, too. Remember, this system contacts you during an emergency, so it is important that you keep your cell phone information up-to-date!
