The occupational categories included in this table are the same categories reported to the U.S. Department of Education through the the Integrated Postsecondary Educational Data System (IPEDS). Some employees with faculty status (e.g., Librarians, Deans, other administrators with faculty status) are not included in the IPEDS Instructional & Research Faculty category. The occupational categories reported by universities were revised beginning fall 2012. Many of the current occupational categories can't be directly compared to those used in previous years.
