## OSP Spotlight

### **Dina Byers**

#### School of Nursing and Health Professions

Dr. Dina Byers of the School of Nursing and Health Professions was recently awarded a contract from the Council on Postsecondary Education. The grant, in the amount of \$307,800, will fund a partnership with Murray Calloway County Hospital (MCCH) to develop a Dedicated Education Unit (DEU) to deliver quality clinical nursing education. The plan for the partnership is to develop a clinical teaching workshop for designated Clinical RN Instructors who are current MCCH RN staff. Students will experience their clinical rotation in one specific unit and work with one RN clinical instructor for the entire rotation. It is anticipated that this will be a pilot project and the intention is that this project will continue in the future.

Additionally, the registered nurses (RN) to the Bachelor of Science in Nursing (BSN) program at Murray State will also benefit from a partnership with regional KCTCS nursing programs to offer a \$5,000 tuition waiver to 30 students who have received the Associate Degree in Nursing (ADN) and plan to transition to the BSN program.
