

Arthur J. Bauernfeind College of Business

Murray State University Racer Academy

Bauernfeind College of Business Dual Credit Courses

Courses

CSC 199 – Introduction to Information Technology (3 hours)

ECO 190 – Consumer Economics/Personal Finance (3 hours)

General Course Information

- Schools may choose to offer one or all courses.
- Interested high school teachers must submit the teacher application to be selected to instruct a course.
- Administrative details will be coordinated by the Dean's office at MSU. A faculty member in the College of Business will coordinate instructional activities.
- **For dual credit, the high school teacher will deliver and teach the course within the regular high school day (if approved for this) OR be the secondary instructor for our MSU instructor. Minimum requirement to be main instructor- 45 hours of classroom instruction. **In most cases, high school representatives are secondary instructors/facilitators.****
- Courses will be web-supported through Canvas or other means by MSU.
- Courses can be taught **ONLY** on a semester-long format.
- Courses may be offered for college credit, high school credit or both but only students admitted to Murray State will receive a grade from Murray State.

Student Information

- Participating students desiring college credit must apply for Racer Academy admission (working with their guidance counselor) and be accepted.
- Tuition is payable to Murray State University.
- More information can be found at www.murraystate.edu/RacerAcademy

High School Teacher Information

- High School teachers must have a bachelor's degree or higher in a related discipline.
- Teachers must work with Course instructor on training. Contact information is listed at the bottom of each course page.

Contact Kelsey Johnson in Bauernfeind College of Business for more information at 270.809.4196 or kjohnson109@murraystate.edu.
