Hours listed on your Audit and Component sheet must be entered in KFETS in appropriate semester/year and in appropriate component category in KFETS. Make sure you have logged hours in KFETS for the correct semester/year:

20182019 Fall = Fall 2018.   20182019 Spring = Spring 2019

Example: If you marked **'Interaction with Families'** on your Audit and Component sheet for a course you took **Fall 2018,** you need hours logged in KFETS under **'Interaction with Families of Students'** for **20182019 Fall.**

The **Total Hours** you calculated above for each semester is the *minimum* number of hours you should have logged in KFETS.
