

CURRICULUM VITAE

David C. Whaley

Dean College of Education and Human Services 2012-Present
Professor Department of Educational Leadership and Counseling
Murray State University, Murray, KY 42071
Voice: 270-809-3829
E-mail: dwhaley2@murraystate.edu

Professional Preparation

Cornell University, Ithaca, NY	Occupational and Educational Studies ¹ Ph.D. 1985
University of California, Davis, CA	California teaching credentials (#TC389356 and #TC389354). Valid: 1985- for life (Agricultural sciences and Life sciences)
University of California, Davis, CA	Animal Sciences ² M.S. 1976
University of California, Davis, CA	Animal Sciences B.S. 1975

Leadership Positions

- Dean and Professor of Educational Leadership and Counseling, College of Education and Human Service, Murray State University. 2012- Present. Responsible for the overall leadership, development, and direction of the College of Education and Human Services. Provide leadership and supervision in the development and growth of faculty, staff, and students within the units of the college. Units include Educational Studies, Leadership, and Counseling; Early Childhood and Elementary Education; Adolescent, Career, and Special Education; Social Work; Criminal Justice; Recreation and Leisure; Non-profit Leadership Studies; Recreations and Leisure; and Communications Disorder. Serve as spokesperson for the college and as a liaison to the university, the region, business and industry, and other governmental agencies. Manage college budget/finances, maintain its physical assets, and supervise all personnel within the college's organizational structure. Provide leadership in planning and implementation of all academic and educational outreach programs within the college including curriculum development, course offerings, classroom instruction, student advising, and library collections. Promote recruitment, evaluation, and retention of a diverse and well-qualified faculty and staff. Support and maintain a student body and to provide students with high-quality academic and other educational experiences for growth and development. Coordinate outreach and advancement to the university and region. Recognize and encourage research, public service, publication, and creative activities designed to enhance the professional standing and abilities of faculty. Provide leadership and support of all professionally-related or discipline-specific accreditations of the college.
 - College innovations:
 - Center for Counseling and Diagnosis;
 - Professional Development School, Murray Elementary School;
 - Expanded college academic units to include Social Work, Criminal Justice, Non-profit Leadership Studies, Recreation and Leisure, and Communications Disorders;
 - Center for Recruitment and Retention;
 - Center for Environmental Education;
 - Expanded study abroad opportunities to include: Japan, India, Puerto Rico, Ireland, Austria, Italy, and Panama;
 - Faculty incentive grant awards presented annually to 10-12 faculty;

¹ Present degree name- "Education"

² Emphasis in Physiology

- Ed.D. program in P-20 leadership and community leadership
 - International site visit grants to two international sites annually;
 - Minor in education (primarily for secondary areas); and
 - New academic program in educational technology.
- Associate Dean and Professor of Education, College of Human Sciences, Iowa State University. 2006-2012. Oversight responsibilities for the University educator preparation program, strategic planning, information technology, safety and sustainability, and college operations. Accreditation coordinator for educator licensing programs. Duties were to provide effective leadership, advocacy, and coordination to these units and operations. Operating revenues for these units were approximately \$1,600,000. Direct reports: 24 adjunct faculty and 12 professional and scientific staff. Academic appointment in the Department of Curriculum and Instruction.
 - Director of Educator Licensing and Professor of Education, School of Education, Colorado State University, 1990-2006. Oversight for educator licensing programs, including teacher education, educational leadership, occupational therapy, school social worker, and counseling education. Campus coordinator for two successful NCATE continuing accreditation reviews and three successful state reauthorizations. Responsible for long range planning, budgeting, programming, staffing, state reviews, and personnel supervision. Direct reports: 14 faculty and five support associates.
 - Academic Policy Officer, Colorado Department of Higher Education (DHE); 2004-2006, part-time. Led 12 state reauthorization/accreditation reviews of Colorado's institutions and facilitated the adoption process for three new state programs. Direct report to the Chief Academic Officer of the DHE, Denver, CO.
 - Department Chair and Professor- Agricultural Business Management and Agricultural Education, California State Polytechnic State University, Pomona, CA: Direct reports: 12 tenure/tenure-track faculty and three administrative assistants.
 - State Curriculum Director, University of California, Davis, 1980-1982. Led state project for the development of instructional materials for ESL learners.
 - High school and middle school teacher (agricultural sciences, business management, biological sciences), Santa Rosa, CA, 1976-1980.

Major Fields of Teaching/Research

- School law
- Organizational change in higher education
- School governance
- Teacher impact
- Pre K- 12 partnerships

Scholarly Productivity

External Grants- Funded

- 2008 Principal investigator. *University teacher education*. Total Quality Enhancement (TQE) Grant, Iowa Department of Education. Awarded \$19,800.
- 2007 Principal investigator. *University teacher education assessment program*. Total Quality Enhancement (TQE) Grant, Iowa Department of Education. Awarded \$20,000.
- 2007 Principal investigator. *English language learner technology resource*. Iowa Department of Education. Awarded \$7,000.
- 2006 Principal author and investigator. *Partnerships in rural education*. A No Child left Behind (NCLB) funded project to enhance mathematics literacy in Colorado's rural school districts. The Colorado Commission on Higher Education. Awarded \$150,000.
- 2005 Principal author. *RISE: Reform in science education*. A CCHE NCLB funded project to enhance science achievement for all teachers, through a collaborative effort between Colorado State University and rural school districts. The Colorado Commission on Higher Education. Awarded \$75,000.
- 2005 Principal author and investigator. *RIME: Reform in mathematics education – A continuation grant*. A CCHE NCLB funded project to enhance mathematics achievement for all teachers, through a collaborative effort between Colorado State University and rural school districts. The Colorado Commission on Higher Education. Awarded \$35,000.
- 2005 Principal author and investigator. *Assessing the efficacy of a teacher in residence program*. A School of Education funded minigrant. \$1,200.
- 2004 Ginsberg, R., Whaley, D., Lewis, C., Lofquist, P. (2004). *Future teacher mentors in rural areas*. Funded project from the National Science Foundation. \$252,000/3 years.
- 2004 Principal author and investigator. *RIME: Reform in mathematics education*. A CCHE NCLB funded project to enhance mathematics achievement, through a collaborative effort between Colorado State University and rural school districts. The Colorado Commission on Higher Education. Awarded \$70,000.
- 2003 Principal author and investigator. *Improving K-12 education and the quality to teacher content knowledge through inclusive and effective collaboration between the Poudre School District and Colorado State University*. The Colorado Commission on Higher Education. Awarded \$92,503.
- 2002 Principal investigator. *Best and promising practices: Using strengths finder profile to assess teacher job satisfaction*. The National FFA Organization. Awarded \$2,500.
- 2001 Principal investigator. National Network for Educational Renewal (NNER) Grant for Teacher Licensure Standards Research Investigation. Awarded \$3,000.
- 1997-1998 Principal Investigator. *Colorado standards alignment project: A K-12 Linkage Grant*. Funded by CCHE. Awarded \$49,000.

- 1995-1997 Project investigator. *Study of the program for licensing assessments of Colorado educators (PLACE)*. Funded by the Colorado Commission on Higher Education (CCHE). Awarded \$15,000.
- 1996-1997 Co-investigator. *An Investigation of employment patterns of completers of the CSU Teacher Licensure Program*. Funded by the University Research and Development Center for the Advancement of Student Learning. Awarded \$1,000.
- 1996-1997 Director. Two separate mini-grant awards from the School of Education. *Establishing standards for completers of the Educator Licensing Program and authentic assessment of teacher candidates*. Awarded \$650.
- 1995 - 1996 Principal investigator. *The efficacy of an alternative middle school/teen learning center*. Awarded \$250 from the College of Applied Human Sciences Mini-Grant and \$1199 from the University's Research and Development Center for the Advancement of Student Learning.
- 1995 Co-director. *Professional development schools*. A Colorado Partnership for Education Renewal (Goals 2000) Grant. Awarded \$6000 (for Colorado State University) and \$11,000 (for Valley High School, Gilcrest, CO).
- 1993 - 1996 Co-director. *Colorado tech prep consortium in agricultural education*. A statewide Tech Prep grant submitted to the Colorado Community College and Occupational Education System. The total Tech Prep award was \$100,000 for 1993-94. Preliminary award amounts for 1994-95 and 1995-96 were \$200,000 and \$150,000 respectively.
- 1993, 1994 Co-director. *Adopt a high school: A mentoring opportunity for College of Agricultural Sciences students in agricultural education and the Agricultural Ambassadors*. A Shepardson Instructional Development Grant in Agricultural Sciences, College of Agricultural Sciences, Colorado State University. Awarded \$2,000 annually.
- 1993 Director. *Educators, agriculture, and change*. A proposal for a Continuing Education Summer Program. Awarded \$4,000.
- 1991 Project director. *Issues and directions for agricultural education programs in Colorado*. Faculty Initiated Research Grant, Colorado Community Colleges and Occupational Education System. Awarded \$3,500.
- 1990 - 1991 Project director. *Agricultural education mini-agreement with the Colorado Community College and Occupational Educational System*. Purpose was to provide articulated services to state career and technical education programs. Awarded \$25,000.
- 1990 Project director. *Establishing technology linkages in record keeping*. Purpose was to develop and implement computer-based technologies into the high school agricultural education program. California State Department of Education. Awarded \$14,000.
- 1988 - 1990 Project director. *Enhancing inservice opportunities for teachers*. Purpose was to coordinate inservice activities to teachers in Southern California. California State Department of Education. Awarded \$4,000.
- 1988 - 1990 Project director. *Technology infusion in computerized record keeping*. Purpose was to develop and disseminate a computer-based record book for California agricultural education programs. Project included development of computerized software and accompanying documentation. California State Department of Education. Awarded \$12,000.
- 1985 - 1990 Project director/principal investigator. Project was to develop summer inservice skills workshops for agriculture teachers. California State Department of Education. Awarded \$800 (1988); \$800 (1987); \$500 (1986); \$500 (1985).
- 1985 - 1987 Project director, *Affirmative action in career and technical education programs*. Project was to investigate needs and perceptions of graduate students at CSPU Pomona. Awarded \$550 (1987); \$1,400 (1986).
- 1982 - 1984 Project coordinator. *Enhance of learning options for linguistically diverse career and technical education students*. Project was to develop and disseminate curriculum

materials for agricultural education students with special needs. California State Department of Education. Awarded \$144,000.

Selected External Grants- Submitted; Not Awarded

- 2010 Co-principal investigator. *Enhancing quality in teacher education through a global partnership of excellence*. USAID APS Indonesia 09-014. Submitted \$949,411.
- 2009 Co-principal investigator. *Developing a global center of excellence in higher education in support of Indonesia's prosperity*. USAID. Submitted \$831,000.

Statewide Conferences Organized and Hosted- Iowa

- October 2010 ***Pre-service Teacher Assessment: Setting the Bar***. Semi-annual state conference of the Iowa Association of Colleges for Teacher Education (IACTE). Keynote speakers included *Circe Stumbo, President, West Wind Education Policy & Consultant to the Council of Chief State School Officers*.
