Flute Audition Piece 2026

This audition is not scary, it is only to for me to get an idea of your ability so that I can better teach you at camp. I look forward to meeting you, hearing you, and helping you! Let's have fun playing flute!

Scales

Play these two scales. If you have trouble going up to the top notes, you can always opt to play one or two octaves only or pick any two scales that you know and play those for me.

Two musical scales for flute audition. The first scale is in B-flat major (two flats) and the second is in D major (two sharps). Both scales are written on a single staff with a long slur over the entire range.
