# Murray State University Department of Music

## NOTES:

1. Admission to the applied track is dependent on a successful audition. Elective applied study is dependent upon studio space. Students are encouraged to study for four consecutive semesters.
2. Students are required to participate in any ensemble involving their primary instrument concurrent with each semester of applied music study. Four semesters is the minimum requirement for the applied minor. Students will take two semesters of ensembles at the 100-level and two semesters of ensembles at the 300-level. Students must register for a major ensemble when taking 2 credit hour lessons. Major ensembles include Symphonic Band, Wind Ensemble, University Orchestra, Concert Choir, Treble Chorus, and Tenor/Bass Chorus.
3. Electives may be chosen from any 300-, 400-, or 500-level MUS course in consultation with the Music minor advisor. Students may also take 300-level applied study once the 200-level proficiency has been passed. Elective applied study is dependent upon studio space. Students must meet course prerequisites or have permission of the instructor if there is a prerequisite.

**Students must earn the grade of C or better to progress in all sequence courses.**

All music minors are required to see the assigned departmental faculty advisor each semester before registering for classes. All required course work and the four hours of electives also require the approval of the departmental faculty advisor and the departmental chair.

**At least four hours in the Music Minor must be upper level courses completed at Murray State University.**

The **Music Minor** program requirements have been explained to the student indicated at the top of page one.
