NOTES:

1. Students study privately for **four consecutive semesters** with concurrent ensemble participation. Enrollment in MUS 170 at earliest offering of the course or prior completion of MUS 170 is required for enrollment in applied music study.
2. Students with keyboard background may challenge one or both courses.
3. Students are required to be in an ensemble for four semesters **concurrent with applied study**. Any ensemble offering is acceptable conditional upon audition requirements (if any) being met. Students should take two semesters of 100-level and two semesters of 300-level ensembles.
4. Electives may be chosen from any 300-, 400-, or 500-level MUS course in consultation with the Music minor advisor. Students may also take 300-level applied study once the 200-level proficiency has been passed. Elective applied study is dependent upon studio space. Students must meet course prerequisites or have permission of the instructor if there is a prerequisite.

Students must earn the grade of C or better to progress in all sequence courses.

All music minors are required to see the assigned departmental faculty advisor each semester before registering for classes. All required course work and the four hours of electives also require the approval of the departmental faculty advisor and the departmental chair.

At least six hours in the Music Minor must be upper level courses completed at Murray State University.

The **Music Minor** program requirements have been explained to the student indicated at the top of page one.
