

INNOVATIVE PATHWAYS

ACTION STEPS

OUTCOME

PROMOTE EXPERIENTIAL AND INTERDISCIPLINARY TEACHING AND INNOVATIVE SCHOLARSHIP

<p>Establish a task force to assess impediments, create a process, and gather resources for team-teaching across disciplines and cross-listing courses</p>	
<p>Develop a resource manual for experiential learning within the college</p>	
<p>Maintain the active involvement of CHFA faculty in Education Abroad programs</p>	
<p>Ensure that every student with a major in CHFA participates in experiential learning</p>	
<p>Ensure that 90% of tenure-line faculty will be engaged in scholarship/creative activity each year</p>	
<p>Increase the number of grants submitted by CHFA faculty.</p>	

INNOVATIVE PATHWAYS

ENSURE DIVERSE CO-CURRICULAR OPPORTUNITIES ACROSS THE COLLEGE

Maintain support structure for departmental co-curricular activities

Identify funding sources to support additional co-curricular and professional development opportunities for students

Increase CHFA opportunities for students to participate in tournaments, conferences, Education Abroad and Study USA

DEVELOP A PLAN TO ADDRESS TECHNOLOGICAL NEEDS

Assess and prioritize technology needs

Evaluate technology in relation to curricular changes

Promote training for existing programs and technology for faculty and staff

Evaluate the source of funding for technology and develop a plan
