

CYBER EXPERIENCE

launch a tiny satellite

6.19.2017 - 6.22.2017
PADUCAH, KY 9 AM - 3 PM

June 19 - 22
9 am - 3 pm
Paducah, KY

A free four-day summer camp.
Students ages 13-18 who are interested in technology
are encouraged to attend.
Students will learn how to build and launch a Cricket Satellite.
Murray State University's TSM students are using these tiny
satellites for in-class projects.

To register for the camp, visit the Cyber Cave page at murraystate.edu/tsm/

For more information about Cyber Experience, please contact Lindsey Garland at lgarland@murraystate.edu or 270-809-5391.
