MSU Agriculture – Where we know how to grow things...like enrollment!

On behalf of our faculty and staff, I would like to express our appreciation to the area community college faculty for working with us to develop articulation agreements to our academic degree options. At the same time, we would like to invite all the community college students to “come join us” as you continue your educational pursuits.

By definition, articulation is the “process by which one institution matches its courses or requirements to course work completed at another institution”. Students may use this course articulation to assure that the courses they complete at the community college will not have to be repeated at Murray State. Additionally, the articulation agreements that have been developed contain a degree plan that includes the courses taken at the community college and the additional MSU classes and requirements that will have to be taken to complete a Bachelor of Science in Agriculture. It is our hope that these agreements will assist students in determining what courses will be required for graduation.

Hutson School of Agriculture at MSU recognizes the importance and the quality of the programs at the regional community and technical colleges. Many of our best students in the past years have come to us through transfer programs. It is our desire to create a seamless and “transfer friendly” agreement that will encourage students to continue their educational pursuits at our university and to become engaged in the respective agricultural career of their choice.

Please let us know if we can assist you in any way. You can contact the Hutson School of Agriculture at (270) 809-3328 or at [msu.ag@murraystate.edu](mailto:msu.ag@murraystate.edu).

Come Join Us,

Dr. Tony Brannon, Dean  
MSU Hutson School of Agriculture

**AGRICULTURAL ARTICULATION AGREEMENT**

**MURRAY STATE UNIVERSITY  
AND  
ILLINOIS EASTERN COMMUNITY COLLEGE (IECC)/  
WABASH VALLEY COLLEGE**

Whereas, Murray State University and the Hutson School of Agriculture wish to cooperate fully with Illinois Eastern Community College (IECC)/Wabash Valley College, and

Whereas, the Illinois Eastern Community College (IECC)/Wabash Valley College Agriculture program provides quality higher education training to a growing number of agricultural students, and

Whereas, agriculture students enrolled at Illinois Eastern Community College (IECC)/Wabash Valley College may wish to pursue a Bachelor of Science degree after completion of the program at Illinois Eastern Community College (IECC)/Wabash Valley College, and

Whereas, Murray State University and the agriculture program are regionally and nationally recognized and can provide an excellent opportunity for students to obtain an economical, yet quality degree in agriculture, and

Whereas, Murray State University provides a personal, hands-on quality education and has as its motto "large enough to serve you, small enough to know you", and

Whereas Murray State University agrees to adjust the requirement that "42 hours of upper-level courses must be taken at MSU" down to "at least 31 hours of upper-level courses must be taken at MSU" as per the agreement;

Be it therefore resolved that Murray State University and Illinois Eastern Community College (IECC)/Wabash Valley College hereby enter into an agricultural articulation agreement as described in the attached curriculum agreements.

This agreement will serve as the official transfer agreement and will be accepted as written. Individual exceptions to this agreement will be accepted with the approval of both parties.
