

**Sponsored by:  
Purchase Area Health  
Education Center**

**4-Week Program  
at MSU  
June 2018  
\$1500 Stipend**

## **Rural Community Health Scholars**

**Pre-health students will gain knowledge of rural health issues and expand practical knowledge of their chosen field.**

Students must be current MSU students. Preference will be given to students who live in Ballard, Calloway, Carlisle, Crittenden, Fulton, Graves, Hickman, Livingston, Lyon, Marshall, McCracken, or Trigg counties in western Kentucky. To be eligible for this program, scholars must demonstrate a strong commitment to rural health care.

**APPLICATION DEADLINE: 2/28/2018**
