Rural Physician Assistant Program

- Are you from rural Kentucky?
- Are you an undergrad with an interest in health and science?
- Are you interested in becoming a Physician Assistant and returning to rural Kentucky to practice?

The University of Kentucky Rural Physician Assistant Program could be for you.

Those admitted to this program will attend the UK PA School - Morehead campus and will do clinical rotations in or near their hometowns. The program begins with the January 2019 class. College seniors or recent graduates are encouraged to apply.

Visit www.purchaseahec.org
Select **Health Careers** for an
application.
Deadline to apply is March 31, 2018
