Accounts with a balance of \$200 or less are due in full.

Acceptable payment arrangements consist of the following:

- Enrollment in the Murray State University Payment Plan (MSUPP) with appropriate payment. **Note:** There is a \$30 fee to enroll in the payment plan. Students will enroll in the payment plan via their **myGate** account. Acceptable third-party agencies are foreign embassies, vocational rehabilitation, Kentucky state agencies, Veterans Affairs, Department of Labor, Fort Campbell, TAA, WIA, and company direct billing.

Late registration fee. The late registration period begins approximately 14 calendar days prior to the first day of classes. (See the official university calendar under Racer Tools at www.murraystate.edu or at www.murraystate.edu/admissions/bursarsoffice for exact dates.) All current or returning students registering for the semester for the first time during the late registration period will be assessed a late registration fee. Failure to make payment by the published due dates will cause the student's class schedule to be dropped (purged) from the computer system. **Students who elect to reschedule after their original schedules have been officially purged will be assessed a late registration fee.**

Schedule change fee. Schedule changes made after the published deadline date to do so may be subject to a \$50 schedule change fee. Please review the Academic Calendar for published add and drop dates, www.murraystate.edu/academics/academiccalendars.

Financial Assistance

Murray State University offers a wide variety of financial aid for deserving students. This aid is designed to assist students in financing their education, to recognize scholastic achievement, to encourage continued educational growth and to reward service to the university and community.

In all cases, the student and/or the student's family or spouse are expected to contribute to the costs of education in proportion to their total financial capabilities.

If the student and his/her parents or spouse will commit all possible resources, the Financial Aid Office will make every effort to bridge the economic gap by a financial aid package. That package may consist of one or more of the following types of aid:

- College Access Program Grant (CAP)
- Federal Pell Grant
- Federal PLUS (Parent) Loan
- Federal Subsidized Direct Loan
- Federal Unsubsidized Direct Loan
- Federal Supplemental Educational Opportunity Grant

- Federal Work-Study (part-time employment)
- Kentucky Educational Excellence Scholarship (KEES)
- KHEAA Scholarships
- Nursing Student Loan
- Scholarship
- TEACH Grant
- University Student Employment (part-time employment)

A student should begin by completing the **Free Application for Federal Student Aid (FAFSA)** at fafsa.gov. Application forms and information concerning loans, grants, student employment, and scholarships may be obtained from the Financial Aid Office, 500 Sparks Hall or from www.murraystate.edu/students/undergraduate/payingforcollege/fas/financialaid/financialaidforms.

Financial Aid Satisfactory Academic Progress (SAP)

This policy applies to all students even if you are not receiving financial aid for the period currently being monitored.

The Department of Education and the Commonwealth of Kentucky each require you to meet Satisfactory Academic Progress (SAP) requirements in order to maintain eligibility for federal and state loans and grants. Failure to meet the standards as discussed below could lead to loss of eligibility for both federal and state financial assistance.

Students who are not meeting the Financial Aid Policy will be notified via Murray State University email and can review their status in the Financial Aid tab within their myGate account.

How SAP is Determined

Qualitative and Quantitative requirements for SAP include:

- A minimum cumulative grade point average (GPA) (earned at Murray State University and all transferred credits)
- A maximum amount of time allowed to complete all degree requirements
- A minimum percentage of completed hours earned

Qualitative Standard - Minimum GPA

The minimum cumulative GPA requirements for Murray State University (as shown in the chart below) are determined by the number of credit hours you have attempted. Once the academic probationary period leads to academic suspension, you will also be suspended for financial aid.

GPA Hours Attempted	Cumulative GPA
1 - 32	1.50
33 - 64	1.70
65 - 79	1.90
80 or more	2.00

Quantitative Standard - Maximum Timeframe

The longest time you can take to complete your degree is 1½ times the length of the published program length as shown below:

Degree Type	Published Program Length (Hours)	Maximum Attempted Hours
Associate	60	90
Baccalaureate	120	180
Post-Baccalaureate seeking an Associate ¹	180	270
a Baccalaureate ¹	240	360
Graduate/Master's	36	54
Doctoral	79	119

¹These hours reflect first baccalaureate attempted hours.

Completion Rate

You must earn a minimum of 67% of the total number of hours you have attempted during your respective undergraduate and/or graduate career. To determine if you are meeting this requirement, multiply the total cumulative hours you have attempted times .67 (.665 or above will be rounded up to .67.)

Example:

95 cumulative hours x .67 = requirement of 64 hours earned

Actions impacting course completion when calculating attempted and earned hours:

Action	Counts Toward Attempted	Counts Toward Earned
Audited, Withdrawn or Incomplete course	Yes	No
Transfer or Remedial course	Yes	Yes
Repeat or Non-degree related course	Yes	Yes ¹

¹Only the last time attempted

Semester Withdrawal

More than two (2) official academic and/or administrative withdrawals from a semester while attending Murray State University will prevent you from meeting SAP.

Additional Information

- Complete requirements remain the same if major is changed.
- Financial Aid reviews SAP at the end of each spring semester and covers the preceding summer, fall, and spring terms.
- Financial Aid SAP requirements are not the same as the Academic Suspension rules – each requires a separate appeal process. Refer to the *Registration and Academic Records* chapter or the Office of the Registrar website for the Academic Suspension Appeal Policy.
- You may review your SAP status in the Financial Aid tab within your myGate account.

Impact of Not Meeting SAP

Failure to meet any of the SAP requirements will result in a Financial Aid Suspension and make you ineligible to receive any additional federal or state financial aid.

Official notice of suspension will be sent to you via your Murray State University email address.

What to Do if You are Suspended

If you receive a financial aid suspension, you may want to consider filing an appeal if you believe you have mitigating circumstances.

All appeals must be received within 30 days of the start of the semester for which you are appealing. Appeals received after this time frame will be administratively denied for that semester. However, you can request to have the appeal filed for the following semester.

To initiate a Financial Aid SAP appeal, you must complete a SAP Financial Aid Appeal form and provide supporting documentation as outlined below. The form may be obtained in the Financial Aid tab from within your myGate account.

Appeals may fall into one of the following categories and appropriate supporting documentation must be provided:

Medical

- Broken bone
- Cancer
- Catastrophic health or mental illness

Documentation Needed

-Official documentation from medical provider reflecting con-

firmed diagnosis and dates of illness or injury.

-If this is a recurring illness or other health issue, provide a statement explaining what has changed to enable you to perform better going forward.

Documentation Needed

-Written statement explaining what has changed to enable you to perform better going forward.

-Other supporting documentation depending on situation.

NOTE: Additional supporting documentation may be requested after initial review.

Next Steps

Once a completed appeal and all supporting documentation is received by the Office of Financial Aid, a review of your individual circumstance will be conducted and a determination will be made.

Decisions will fall into one of four potential categories.

- 1) Approved without Academic Plan
- 2) Approved with Academic Plan
- 3) Denied
- 4) Administratively Denied

Decisions will be communicated to you via your Murray State University email. All decisions are final.

If your appeal is approved, you will be placed on probation for a minimum of one (1) semester or for the length of the academic plan. At the end of the probationary term, you must meet all requirements of the Satisfactory Academic Progress Policy.

If your appeal is denied, you may continue enrollment without financial aid assistance and attempt to meet all requirements and regain eligibility. If you have met the requirements, or significantly improved performance, you may file a new appeal with the Finan-

cial Aid Office.

Depending on your credit, third party loans may be available to cover the cost of your tuition if you have been prohibited from receiving further federal and state aid. Visit <http://www.murraystate.edu/fastchoice> for more information.

General Information

If you do not meet SAP requirements, to allow consideration for financial aid in future terms, you must still complete the Free Application for Federal Student Aid (FAFSA) in a timely manner.

The Admissions, Academic Standing, Bursar, and Housing appeals are separate application processes. Decisions of these appeals are independent of each other.

If you have additional questions, please contact the Financial Aid office at 500 Sparks Hall, 270-809-2546 or 800-272-4678 option 3, or msu.sfa@murraystate.edu.

Student Employment

Murray State University offers part-time employment to a large number of students each year. The Federal Work-Study Program provides on-campus employment to eligible students who are enrolled in at least one (1) credit hour and who show a need for the earnings. The University Student Employment Program offers jobs to students enrolled in at least one (1) credit hour who do not qualify for the federal program. All student employees are paid biweekly and are required to perform their assigned duties in a satisfactory manner.

Scholarships

Scholarship Application Deadline - February 1

Non-Traditional Student Specific Deadline - June 1

Murray State University awards a number of scholarships each year to qualified students. Scholarships are supported by the Alumni Association, the Murray State University Foundation, and academic departments. Information on scholarships is available online at www.murraystate.edu/scholarships or in person through the Scholarship Office located in Sparks Hall.

Students use one application which is updated each year. Qualifications and restrictions are listed, along with the names and requirements of all scholarships. In some areas, talent and proficiency are considered as well as academic information.

Generally, scholarships are offered on the basis of scholastic achievement, standardized testing scores (new freshmen only), character, leadership, and the promise of continued educational growth. In some cases, financial need is considered.

Scholarship applications can be accessed through *myGate* from the Financial Aid section beginning September 1, each year and must be submitted by the deadline of February 1. Awards are made for academic years and may be adjusted due to other aid students receive from federal, state, or external organizations. Policies for awarding, adjusting, and renewing scholarships can be accessed online at www.murraystate.edu/scholarships.

Questions may be directed to the Scholarship Office at 800-272-4678, ext. 4, or 270-809-3225.

Graduate Assistantships

Graduate teaching and research assistantships are available in most departments for highly qualified graduate students. Graduate assistants are expected to familiarize themselves with university policies and to fulfill their professional responsibilities to the university. An applicant for a graduate assistantship must be admitted to a graduate program as a degree-seeking student and enrolled in graduate courses during the semester of employment.

To be eligible for a graduate assistantship, students must have earned a cumulative GPA of at least 3.00, and be enrolled in a mini-

mum of six graduate credit hours at Murray State. Full-time status for all graduate students is enrollment in a minimum of nine semester hours. To maximize academic success, graduate assistants may not carry a course load exceeding 13 hours. No overload requests will be approved for graduate assistants. Graduate students in their final semester of coursework may petition (in writing) the University Graduate Coordinator to qualify for an assistantship while enrolled in fewer than six graduate hours. During the summer, students on an assistantship must be enrolled for a minimum of three hours of coursework.

Normally, assistantships are awarded to an individual student for a maximum of four semesters (excluding summers). Students may petition the associate provost for graduate education and research for up to two additional semesters. Stipends for assistantships may vary between departments.

Applications for assistantships should be filed with the chair of the department of the student's major field of interest. Contact the academic department for information regarding deadlines and the application process.

Residency Reclassification

A student who wishes to request a review of residency classification should review the policy on Residency for Tuition Purposes found at <http://www.murraystate.edu/residency>. The affidavit should be completed, signed, and notarized. All supporting statements and documents must be attached. Insufficient information may delay the request indefinitely. The student should then present the affidavit to the Office of the Registrar, first floor, Sparks Hall, no later than 30 calendar days after the first day of classes of the semester for which the appeal is being made. Students applying during or after registration must pay fees as originally assessed.

The registrar will act upon the request within 14 calendar days. Questions concerning eligibility or the status of a request should be directed to the Registrar at (270) 809-3759 or emailed to msu.registrar@murraystate.edu. A student whose request was denied by the Registrar will have 14 calendar days from the receipt of the denial letter, as determined by the postal notification of receipt of certified mail, to formally appeal the decision. Appeals should be addressed to the Bursar's Office, 200 Sparks Hall, Murray KY 42071-3312. The appeal should include a letter and any additional supportive documentation. Students whose requests were approved by the registrar or by the residency review committee will be reported to the bursar so that fee adjustments or refunds can be processed accordingly.

A copy of the complete operational policy on classification of residency for fee assessment purposes is available at <http://www.murraystate.edu/residency> or in the Office of the Registrar, first floor of Sparks Hall.

(6) A student classified as a nonresident shall retain that status until the student is officially reclassified by an institution.

(7) A student may apply for a review of a determination of residency status once for each academic term.

(8) If an institution has information that a student’s residency status may be incorrect, the institution shall review and determine the student’s correct residency status.

(9) If the Council on Postsecondary Education has information that an institution’s determination of residency status for a student may be incorrect, it may require the institution to review the circumstances and report the results of that review.

(10) An institution shall impose a penalty or sanction against a student who gives incorrect or misleading information to an institutional official, including payment of nonresident tuition for each academic term for which resident tuition was assessed based on an improper determination of residency status. The penalty may also include:

(a) Student discipline by the institution through a policy written and disseminated to students; or

(b) Criminal prosecution.

Section 4. Presumptions Regarding Residency Status. (1) In making a determination of residency status, it shall be presumed that a person is a nonresident if:

(b) A person’s admissions records indicate the student’s residence to be outside of Kentucky when the student applied for admission;

(c) A person moves to Kentucky primarily for the purpose of enrollment in an institution;

(d) A person moves to Kentucky and within twelve (12) months enrolls at an institution more than half time; or

(2) A presumption arising from subsection (1) of this section shall only be overcome by preponderance of evidence sufficient to demonstrate that a person is domiciled in and is a resident of Kentucky.

Section 5. Determination of Whether a Student is Dependent or Independent. (1) In a determination of residency status, an institution shall first determine whether a student is dependent or independent. This provision shall be predicated on the assumption that a dependent person lacks the financial ability to live independently of the person upon whom the student is dependent, and therefore, lacks the ability to form the requisite intent to establish domicile. A determination that a student is independent shall be one (1) step in the overall determination of whether a student is or is not a resident of Kentucky.

(2) In determining the dependent or independent status of a person, the following information shall be considered as well as other relevant information available when the determination is made:

(a) 1. Whether the person has been claimed as a dependent on the federal or state tax returns of a parent or other person for the year preceding the date of application for a determination of residency status; or

2. Whether the person is no longer claimed by a parent or other person as a dependent or as an exemption for federal and state tax purposes; and

(b) Whether the person has financial earnings and resources independent of a person other than an independent spouse necessary to provide for the person's own sustenance.

(3) An individual who enrolls at an institution immediately following graduation from high school and remains enrolled shall be presumed to be a dependent person unless the contrary is evident from the information submitted.

(4) Domicile may be inferred from the student's permanent address, parent's mailing address, or location of high school of graduation.

(5) Marriage to an independent person domiciled in and who is a resident of Kentucky shall be a factor considered by an institution in determining whether a student is dependent or independent.

(6) Financial assistance from or a loan made by a parent or family member other than an independent spouse, if used for sustenance of the student:

(a) Shall not be considered in establishing a student as independent; and

(b) Shall be a factor in establishing that a student is dependent.

Section 6. Effect of a Determination of Dependent Status on a Determination of Residency Status. (1) The effect of a determination that a person is dependent shall be:

(a) The domicile and residency of a dependent person shall be the same as either parent. The domicile and residency of the parent shall be determined in the same manner as the domicile and residency of an independent person; and

(b) The domicile and residency of a dependent person whose parents are divorced, separated, or otherwise living apart shall be Kentucky if either parent is domiciled in and is a resident of Kentucky regardless of which parent has legal custody or is entitled to claim that person as a dependent pursuant to federal or Kentucky income tax provisions.

(2) If the parent or parents of a dependent person are Kentucky residents and are domiciled in Kentucky but subsequently move from the state: (a) The dependent person shall be considered a resident of Kentucky while in continuous enrollment at the degree level in which currently enrolled; and

(b) The dependent person's residency status shall be reassumed if continuous enrollment is broken or the current degree level is completed.

Section 7. Member or Former Member of Armed Forces of the United States, Spouse and Dependents; Effect on a Determination of Residency Status. (3) Membership in the National Guard or civilian employment at a military base alone shall not qualify a person for Kentucky residency status under the provisions of subsections (1) and (2) of this section. If a member of the Kentucky National Guard is on active duty status for a period of not less than thirty (30) days, the mem-

ber shall be considered a Kentucky resident, as shall the spouse or a dependent child of the member.

(4) A person eligible for benefits under the federal Post-9/11 Veterans Educational Assistance Act of 2008, 38 U.S.C. 3301-3325, or any other educational benefits provided under Title 38 of the United States Code shall be entitled to Kentucky resident status for purposes of tuition charged at state-supported institutions.

(5) A person's residency status established pursuant to this section shall be reassessed if the qualifying condition is terminated.

(b) A dependent person holding a visa as described in paragraph (a) of this subsection, but who is a dependent of a parent holding a visa as described in subsection (2) of this section, shall be considered as holding the visa of the parent.

(c) A dependent person holding a visa described in subsection (2) of this section or paragraph (a) of this subsection, if a parent is a citizen of the United States and is a resident of and domiciled in Kentucky, shall be a resident of Kentucky for the purposes of this administrative regulation.

(4) A person shall be a Kentucky resident for the purpose of this administrative regulation if the person graduated from a Kentucky high school and:

(a) Is an undocumented alien;

tional purpose or by an act performed as a matter of convenience.

(d) Mere physical presence in Kentucky, including living with a relative or friend, shall not be sufficient evidence of domicile and residency.

(a) Kentucky automobile registration;

(b) Kentucky driver's license;

(c) Registration as a Kentucky voter;

(d) Long-term lease of at least twelve (12) consecutive months of noncollegiate housing; and

The recommended order issued by the President of the Council shall be a final administrative action.

(5) A student shall not be entitled to appeal a determination of residency status if the determination made by an institution is because a student has failed to meet published deadlines for the submission of information as set forth in subsection (3) of this section. A student may request a review of a determination of residency status in a subsequent academic term.

Military Federal Tuition Assistance

Post 9/11, (Chap. 33) Yellow Ribbon Program

Murray State University participates in the U. S. Department of Veterans Affairs Post 9/11, Chap. 33 Yellow Ribbon Program.

If tuition and fee charges exceed the in-state tuition and fee amounts payable under the Post-9/11 GI Bill while the student is enrolled at Murray State University, additional funds may be available

through the Yellow Ribbon Program. Institutions of higher learning that enter into a Yellow Ribbon Program Agreement with VA will choose the amount of funds they will contribute toward tuition and fees. VA will match that amount and issue payment directly to the institution on the student's behalf.

Only veterans, or their designated transferees, entitled to the maximum benefit rate may receive this funding. Active duty service members and their spouses are not eligible for this program. However, some child transferees of active duty service members may be eligible if the service member is qualified at the 100% rate. Therefore the student may be eligible if:

- Service member served an aggregate period of active duty after September 10, 2001 of at least 36 months.
- Service member was honorably discharged from active duty for a service connected disability and you served 30 continuous days after September 10, 2001.
- Student is a dependent eligible for Transfer of Entitlement under the Post-9/11 GI Bill based on a veterans service under the eligibility criteria listed above.

Military and Veterans Affairs Related Absences

Murray State University acknowledges and appreciates the important contributions of our students who have served or are currently serving in our armed forces. In order to support these students, Murray State pledges to make every effort to provide reasonable accommodations to students who must be absent from class due to military obligations or required medical treatment for service-connected conditions.

Students are highly encouraged to attend all scheduled classes. This policy protects students from being penalized due to class absences caused by military obligations or required medical treatment for service-connected conditions. Faculty will provide reasonable accommodations to make-up missed work. These accommodations may include a selection of comparable coursework as agreed upon by the faculty.

Both student and instructor must agree that the length of the absence is reasonable given the type and structure of the course. Student will initiate this process by providing the *Military Training and VA Absence Agreement Form*. Student and instructor will complete and sign the *Military Training and VA Absence Agreement Form* which details expectations for successful completion of the coursework. In situations where the length of absences is detrimental to the student's ability to successfully complete the agreed upon plan and remain current with the coursework, it may be deemed advisable for the student to withdraw. This document may be accessed via myGate or <https://www.murraystate.edu/academics/RegistrarOffice/pdf/MilTrainingandVAAbsenceAgreementForm.pdf>.

Procedures and Documentation

In the case of military training or drill periods, the student must disclose the leave schedule to the instructor as soon as the unit provides such documentation, preferably prior to the event occurring. We understand that training schedules are subject to change and if a change occurs, the student shall submit a memorandum from his/

her military unit to the instructor. If travel is required, a full eight (8) hours shall be excused before or after the military training or medical treatment.

In the case of service-connected medical treatment, documentation of a Veteran's Administration appointment may be requested to validate the reason for the absence. Documentation should be provided directly to the instructor or through Murray State's Office of Veteran and Military Student Success. If the student chooses to submit such documentation to MSU's Office of Veteran and Military Student Success, that office will notify the instructor of the legitimacy of the absence.

Students choosing to withdraw due to lengthy military training obligations or extended medical treatment during the semester, shall refer to the *withdrawal section* of this chapter and complete the withdrawal request process via *myGate*.
