## TRANSFER PATHWAY GUIDE

### **FOR**

# Associate in Applied Science in Medical Information Technology to Murray State University's Bachelor of Science in Nutrition and Dietetics/Dietetics Track

#### **Overview**

Completion of the following curriculum will satisfy the requirements for Associate in Applied Science in Medical Information Technology at the Kentucky Community and Technical College System and leads to the Bachelor of Science in Nutrition and Dietetics/Dietetics Track at Murray State University.

#### **Admission Requirements**

Murray State University admission requirements for domestic first-time transfer students can be found online. Current link is available <a href="here.">here.</a>

To be admitted into the **Nutrition and Dietetics Program**, students are first admitted to the **Nutrition and Foods track** upon their acceptance to Murray State University. Once students have completed a minimum of 45 credit hours and achieved a GPA of 3.00 or above, they may apply to switch to the **Dietetics track**.

To qualify for the Dietetics track, students must earn a grade of B or better in NTN 230, 231, and 330 and a grade of C or better in BIO 115 or BIO 101, CHE 105, CHE 210, and MAT 140 (or equivalents from KCTCS). Upon successful completion of these prerequisite courses and meeting the GPA requirement, students may formally apply for admission to the Dietetics track.

The application process typically occurs during the second semester of the sophomore year. Students should request an application from the DPD Director.

#### Degree Requirements

At least 42 semester hours of the 120 hours required for a baccalaureate degree must be earned in courses at the 300-level or above (upper-level courses). Transfer courses at the 100 or 200-level that are direct equivalents of upper-level Murray State courses will be considered upper-level credit. Transfer courses at the 100 or 200-level that may be substituted for upper-level Murray State courses or requirements will not be considered upper-level credit.

The baccalaureate degree candidate must have a GPA of at least 2.00: (1) in all credits presented for graduation whether earned at Murray State or elsewhere (cumulative GPA); (2) in all credits completed at Murray State; and (3) in the courses for each major, minor or area.

#### **General Transfer Requirements**

Students can apply for Murray State online here: <a href="https://www.murraystate.edu/admissions/apply.aspx">https://www.murraystate.edu/admissions/apply.aspx</a>
Transfer requirements, scholarship information, and other relevant transfer information can also be found at <a href="https://www.murraystate.edu/admissions/transfer">www.murraystate.edu/admissions/transfer</a>. Once the student has been accepted at Murray State and they receive their student ID (M#), they can apply for scholarships within our student portal, MyGate.

For specific questions concerning the transfer, students can contact the Transfer Center at (270)-809-3350 or msu.transfercenter@murraystate.edu.

A list of Murray State's General Education courses can be found here: https://www.murraystate.edu/academics/UniversityStudies/courses.aspx

The general University Scholarship application is due at or before February 5<sup>th</sup> before the Fall semester entry. All students must complete the FAFSA to be eligible for scholarships.
