MEAL PLAN EXEMPTION REQUEST FORM

Freshmen and sophomore students living on campus are required to purchase a meal plan. An exemption to the meal plan requirement is available for students with documented health conditions requiring a special diet which cannot be accommodated by dining services. Exemptions for reasons, such as vegetarian diet, work, class, practice, religious, access to a kitchen or does not meet a student's personal food preferences are not approved.

Submit the form to the Dining Services office along with any supporting documentation. Notification of decision will be made via email to the student's Murray State email address. Appeals for denials can be made to msu.dining@murraystate.edu
