Resolution 89-25-R5:

RESOLUTION TO EXPAND THE SGA LAPTOP BANK PROGRAM

DATE: April 2, 2025

WHEREAS: the Murray State University Student Government Association (SGA) is committed to enhancing student success and accessibility to essential academic resources; and

WHEREAS: technology plays a critical role in students' ability to complete coursework, conduct research, and engage in online learning opportunities; and

WHEREAS: many students face financial barriers in obtaining personal laptops, and expanding this program would alleviate some of these challenges; and

WHEREAS: the current SGA Laptop Program provides a limited number of laptops for student use but has seen increased demand, indicating a need for expansion; therefore

LET IT BE RESOLVED: The Murray State University SGA formally supports the expansion of the SGA Laptop Bank Program to increase the number of available laptops for student use.
