For alumni and friends of Murray State University, this is an exciting time with the opening of the new Paducah Regional Campus. Over the next few years, hundreds of new students will use this state-of-the-art facility, which will advance our workforce and promote economic development activity throughout our region!

In an effort to advance these new educational opportunities, we are embarking on a campaign to create a scholarship endowment exclusively for the students at the Paducah Regional Campus.

In front of the building will be the **John & Vivian Williams Legacy Plaza** that will contain a brick walkway to honor and memorialize donors, family, alumni and friends for a gift of \$1,000. Our goal is to raise **\$500,000** in scholarship funds, which will be coupled with more than \$500,000 that has already been raised for this purpose.

**Would you consider a \$1,000 gift, payable at \$200/year for five years, and the opportunity to have a recognition brick in this legacy plaza of the regional campus?** All net funds raised, less the minimal cost of the recognition bricks, will support this MSU Paducah Regional Campus scholarship endowment. Please join us in helping students from Paducah, McCracken County and this region as we build a \$1 million scholarship endowment.
