

Qualifying for Murray State Retiree Benefits

Eligibility for retirement through each retirement system is determined by the guidelines set forth by the plan. MSU retiree definition determines eligibility for benefits associated with Murray State's campus, courses, facilities, and activities available to Murray State University retirees. Applies to full-time benefits eligible faculty and staff.

MSU's Definition of Retiree

- 1) The person must be age fifty-five (55) or more and have five (5) or more years of service at Murray State University,
- or**
- 2) The person may become a MSU retiree at any age with twenty-seven (27) years of regular, full-time employment with Murray State University.
