

Summer 2019 Parking Regulations

May 13, 2019-August 9, 2019

All vehicles should be properly registered for parking access when on campus.

- Faculty, staff, students, non-MSU agencies, vendors, and contractors should purchase parking, if they do not have valid parking access.
- Event links are available for any special event on campus.
- Parking needs for departmental guests may be taken care of through departmental portals.

Zoned parking for Summer 2019 includes the following:

- All color zoned parking will be open for any valid parking access from May 13, 2019, through August 9, 2019.
- All other parking regulations still apply for visitors, disability, fire lane, restricted, construction, barricaded, buses, trailers, and larger vehicle parking areas, and will be enforced.

Leaving vehicles on campus during summer breaks.

- Contact the Murray State Parking Services Office via email at msu.parkingoffice@murraystate.edu with your M#, name, and vehicle information including license plate before leaving your vehicle on campus. Your vehicle must already have a valid parking access registration.
