

Rebecca Feldhaus (2009)

Music

"The cooperation between undergraduate researchers and faculty mentors enables students to work on a level of professionalism that is not otherwise possible. My research helped me obtain an internship with the Washington National Opera the following summer as well as one with Opera News Magazine in 2009. As someone who plans to pursue research in the future, I count myself extremely lucky to have had this experience."

Rebecca Feldhaus (2009)
Reporter, WKMS FM
Mentor: Dr. Sonya Baker
