MURRAY STATE UNIVERSITY

Advising

First year Professional Advisor

Trained to help with curriculum, guide to answer questions on person who can help with financial aid questions, career concepts, social needs, etc.

Major Advisor

If you have a Professional Advisor, they will help you link with your major advisor toward the end of your first year and into your second. You may have only a Major Advisor as we have developed this dual-advising model in phases.

No matter if you have a Professional Advisor and/or an Academic Major Advisor in your first year, get to know them!!

- **Help with student success concepts (studying, time management, mental health needs, etc.)**
- **Assist with questions about a career**
- **Offer options for opportunities for experiential learning**
